Ashok & Rita Patel Institute of Physiotherapy (ARIP)
Charotar University of Science and Technology (CHARUSAT)

About CHARUSAT

Charotar University of Science and Technology (CHARUSAT) has been conceived by Shri Charotar Moti Sattavis Patidar Kelavani Mandal - a not-for-profit premier education trust of India having a social lineage of more than 125 years.

CHARUSAT is a state private university with 7 Faculties, 10 Institutes, 4 Centers and 22 Cells offering about 72 different UG, PG and Doctoral programs in Engineering, Pharmacy, Computer Application, Management Studies, Applied Sciences, Nursing, Physiotherapy and Allied & Healthcare Sciences

About ARIP

Ashok & Rita Patel Institute of Physiotherapy (ARIP), a constituent of Charotar University of Science and Technology (CHARUSAT), has started its academic session from the year 2009. It offers Bachelor of Physiotherapy (B.P.T.) programme, Master of Physiotherapy (M.P.T.) programme in 5 specialities, namely Musculoskeletal Sciences, Neurological Sciences, Cardiopulmonary Sciences, Rehabilitation, Paediatric, and Doctorate (Ph.D.) Programme. It has a vision to become a leading institute in providing evidence based Physiotherapy education, research and patient care.

About the Conphyics

CONPHYCS is a premier state-level platform bringing together physiotherapy students, academicians, clinicians, researchers, and healthcare professionals for knowledge sharing, research dissemination, professional networking, and collaboration. It promotes excellence in physiotherapy education, clinical practice, research, innovation, and professional development through expert sessions, workshops, scientific presentations, competitions, sports, cultural activities, and interactive forums.

Objective

- Promote evidence-based practice.
- Encourage research and innovation.
- Provide a platform for scientific dissemination.
- Facilitate networking and collaboration.
- Support professional development.
