Taking the advantage of lockdown, many faculty members are taking diagnostic test, coaching, and guidance through the online coaching sessions.

Here, it is worth noting that **Academy for Graduate Admissions and Competitive Examinations (AGACE)** has been established with the prime objective of providing all round guidance and quality assistance to aspiring immigrants, providing reliable and professional coaching to students' local community aspiring to appear for Graduate Admission Tests (GRE, GMAT) and English Proficiency Tests (IELTS, TOEFL, PTE) and guiding them to perform their best in FGCE (Foreign Going Competitive Examinations), and to become certified exam centre for above mentioned tests in the near future.
