MEMORANDUM OF UNDERSTANDING

BETWEEN

CHAROTAR UNIVERSITY OF SCIENCE AND TECHNOLOGY (CHARUSAT)

AND

BC INSTRUMENTS INDIA PVT. LTD.

This Memorandum of Understanding is made on the 10th day of April 2018 at Changa, BETWEEN:

- (a) Charotar University of Science and Technology (CHARUSAT), situated at Changa, having address at CHARUSAT Campus, Changa, Taluka Petlad, District Anand-388 421 formed under Gujarat State Act No.8 of 2009, Government of Gujarat and has empowered to award degrees by UGC u/s.22 of UGC Act, 1956 (hereinafter referred to as "CHARUSAT" which expression shall where the context so admits include its successors and permitted assignees).

AND

BC Instruments India Private Ltd (BCI) having address at Plot No.1802/4, G.I.D.C., Near ADIT College Gate, Road No.133, Vithal Udyognagar, New Vallabh Vidyanagar, GIDC, Anand, Gujarat 388121, is a high precision machine shop established in 2004 and recognized as the supplier of choice for precision machining solutions for Manufacturing High Precision Machined Components and assemblies to Aerospace, Medical Instruments, Electronics, and Power Generation. (Hereinafter referred to as "BCI" which expression shall where the context so admits include its successors and permitted assignees).

WHEREAS both the parties have the intentions to promote interactions in the field of Engineering & Technology and Management for various purposes like UG, PG and PhD dissertations and apprentices for Process improvements as per requirements.

NOW it is mutually agreed by and between the parties as under:

1. **Objectives**

This MoU reflects the participants' intentions to collaborate in specific activities set out herein pertaining to the field of Mechanical Engineering. The objective of this agreement is to strengthen the relation between industry and academia for quality education in the allied disciplines of engineering and Technology as well as solving industry problems by delivery or sharing of expertise.

2. **Responsibilities of the parties under this MoU**

Now, therefore, in consideration of the objectives contained herein, the parties hereby agree as under:

The CHARUSAT undertakes responsibility as follows:

1. The CHARUSAT shall identify the appropriate human resources (Faculties and students) for projects to be undertaken for BCI
2. The CHARUSAT shall inform BCI immediately when the need arises of any replacement and /or modification in deployment of human resources.
3. The CHARUSAT shall ensure that data/information provided by BCI shall be effectively used for the benefit of project execution purpose only.
4. The CHARUSAT shall observe the BCI's policies with regard to training, Internship, placement of the students and future collaboration.

The BCI undertakes responsibility as follows:

1. BCI shall provide required data/ information to implement the projects to be undertaken by CHARUSAT.
2. BCI shall facilitate students and faculty and students of the CHARUSAT at its location for field visit, interaction and training.

3. BCI shall give opportunity to the faculty and students to intern, take training and interact with various departments of the company in order to impart exposure to professional working environment, current trends, etc.
4. BCI shall allow to use its name and emblem for all communications of CHARUSAT to the extent that it is used for information of students and general public and for no commercial gains.

3. **Procedures for activities**

CHARUSAT and BCI shall encourage interaction for Research and Development collaboration by their representative/s through following activities:

- (a) Conducting joint research and development projects;
- (b) Cooperation in individual projects;
- (c) Search for opportunities to collaborate in the future.

4. **Intellectual Property Rights (IPR)**

- (a) Rights (IPR) concerning outcomes, resulting from research projects or work funded by CHARUSAT shall be subject to the applicable CHARUSAT rules on IPRs.
- (b) Rights (IPR) concerning outcomes, resulting from research projects or work funded by BCI shall be subject to the applicable provisions in the BCI's rules.
- (c) In case where Intellectual Property Rights are generated based on inputs from both the parties, there will be a Joint ownership. In such case the generating parties will in good faith endeavor to establish a Joint Ownership Agreement with regards to allocation and terms of exercising joint ownership taking into relevant provisions on IPR. In case of conflicts arising between parties involved, an amicable solution will be sought by submitting the case before an appropriate committee having representation from both parties and chaired by the Provost of CHARUSAT.

5. Confidentiality

Each party shall keep confidential and not use for any other purpose not contemplated hereunder, all proprietary information disclosed by the other party, directly or indirectly. Any discoveries, inventions or know-how resulting from the project shall be kept confidential for a period of **three** years from the date of termination of this agreement, except as authorized in writing by the other party or provided herein.

6. Financial obligation

Financial arrangement for each specific projects will be decided on a case-to-case basis and brought on record in each case after due approval from heads of both the parties.

7. Miscellaneous

(a) Exclusivity

The parties agree that this memorandum does not confer any exclusivity regarding activities covered by this memorandum and they may collaborate on similar activities with other parties.

(b) Commencement and duration

This memorandum shall operate as from the date of signature thereof ("the **effective date**") and shall remain binding for a period of 3 years, unless terminated prior thereto by mutual written consent between the parties. This MoU may, after expiry thereof, be renewed by the consent of both the parties in accordance of the terms and conditions of this agreement.

(c) Indemnification

Each party shall indemnify, defend and hold harmless the other party from and against any and all claims, demands, liabilities, settlements, damages, costs and expenses including reasonable attorney's fees and expenses, arising out of, or in

any way connected with, any default, breach or negligent non-performance of this MoU or any negligent act or omission on the part of indemnifying party, its agents and employees arising out of this conduct. Each party shall provide prompt written notification to the other party in the event an indemnified claim arises. The indemnified party shall reasonably cooperate with the indemnifying party at the indemnifying party's expense.

(d) Dispute and Settlement

This agreement shall take effect and be construed in accordance with the Laws of India and be subject to its applicable jurisdiction and at the courts of Anand. In case of any dispute or differences, whatsoever arises between parties in relation to or in connection with this agreement; both parties shall try first to resolve it amicably between themselves, failing which the matter shall be referred to and settled through arbitration. The arbitration proceedings shall be held in accordance with the provision of Indian Arbitration and Reconciliation Act.

(d) Process Owner

Dr. Vijaykumar Chaudhary, HoD, Department of Mechanical Engineering, shall function as a process owner from CHARUSAT having contact number 9925830781, Email: vijaychaudhary.me@charusat.ac.in. The Coordinator for the project will be Mr. Gajanan Patange, Asst. Professor, Department of Mechanical Engineer from CHARUSAT having contact number 9998716477, Email: gajananpatange.me@charusat.ac.in.

Mr. Sunil Dave – Managing Director, BCI shall function as a process owner from BCI. However, appropriate authorities shall be communicated for progress tracking and strengthening bond between two parties.

(e) Progress Review

Review committee shall be formed to review activities under MoU. It shall comprise of process owners and few more personnel from both the sides based on need of the project(s) being reviewed.

SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the agreement and having equal legal validity.

By SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

MEMORANDUM OF UNDERSTANDING

BETWEEN

CHAROTAR UNIVERSITY OF SCIENCE AND TECHNOLOGY (CHARUSAT)

AND

MINAR PREFAB PVT. LTD.

This Memorandum of Understanding is made on the 28th day of June, 2017 at CHARUSAT Campus, Changa, BETWEEN:

- (a) Charotar University of Science and Technology (CHARUSAT), situated at Changa, having address at CHARUSAT Campus, Changa, Taluka Petlad, District Anand - 388 421 formed under Gujarat State Act No.8 of 2009, Government of Gujarat and has empowered to award degrees by UGC u/s. 22 of UGC Act, 1956 (hereinafter referred to as "CHARUSAT University" which expression shall where the context so admits include its successors and permitted assignees).

AND

- (b) Minar Prefab Pvt. Ltd., a unit established and governed by the laws of Republic of India, having registered office 36, Ajitnath Society, Near Rushi Mandap Hall, Water Tank Road, Karelibaug, Vadodara-390 018, Gujarat State (hereinafter referred to as "MINAR PREFAB" which expression shall where the context so admits include its successors and permitted assignees).

WHERE both the parties have the intention of undertaking a research consultancy/development assignment for Industry Academia Interaction, Students and Staff training, consultancy and other research & development activities.

NOW it is mutually agreed by and between the parties as under:

1. Objectives

This MoU reflects the participants' sincere and genuine intentions to collaborate in specific activities set out herein under pertaining to research consultancy/development project for industry academia interaction, students and staff training, other research & development activities and tasks set out in this memorandum. However, the following objectives are formalized the present agreement.

- i. To develop a mutual beneficial relationship built on academic and scientific cooperation.
- ii. This memorandum is a master agreement and indicates the area of building relationship between the parties.
- iii. It is not intended to contain any specific information regarding the terms and conditions of any intended or any anticipated programs and activities between the parties and specifically excludes the grant of any benefit to, or the imposition of any obligation on any party.

2. Responsibilities of the parties under this MoU

2.1 The following are the main terms and conditions agreed upon by the parties:

- (a) Training of staff with the objective of offering courses/ Industrial exposure and other such initiatives.
- (b) Training of students and research scholars.
- (c) Collaborative research and consultancy services;
 - i. Whereas in case of collaborative research work both the parties will share all the outcome based on the contributions done by each party as per the agreed terms.
 - ii. Where as in the case of collaborative consultancy work, any income generated will be shared with mutual agreement well in advance of the execution of the consultancy in each and every instant.
- (d) Cooperation in Curriculum design for both undergraduate and post graduate;

3. Intellectual Property Rights

The intellectual property rights regarding publications, patents, royalty, ownership of software/design/ product developed etc. under the scope of this memorandum shall be decided by the two parties by mutual consent.

4. Confidentiality

Each party shall keep confidential and not use for any purpose not contemplated hereunder all proprietary information disclosed by the other party, directly or indirectly.

5. Miscellaneous

(a) Exclusivity

The parties agree that this memorandum does not confer any exclusivity regarding activities covered by this memorandum and they may collaborate on similar activities with other partners.

(b) Commencement and duration

This memorandum shall operate as from the date of signature thereof ("the effective date") and shall remain binding for a period of two years, unless terminated prior thereto by mutual written consent between the parties. This MoU may, after expiry thereof, be renewed by the consent of both the parties in accordance of the terms and conditions of this agreement.

(c) Indemnification

Each party shall indemnify, defend and hold harmless the other party from and against any and all claims, demands, liabilities, settlements, damages, costs and expenses including reasonable attorney's fees and expenses, arising out of, or in any way connected with, any default, breach or negligent non-performance of this MoU or any negligent act or omission on the part of indemnifying party, its agents and employees arising out of this conduct. Each party shall provide prompt written notification to the other party in the event an indemnified claim arises. The indemnified party shall reasonably cooperate with the indemnifying party at the indemnifying party's expense.

(d) Dispute and Settlement

This agreement shall take effect and be construed in accordance with the Laws of India and be subject to its applicable jurisdiction. The dispute of differences whatsoever arises between parties in relation to or in connection with this agreement, both parties shall try first to resolve the dispute amicable between themselves, failing which the matter shall be referred to and settled through an arbitration. The arbitration proceedings shall be held in accordance with the provision of Indian Arbitration and Reconciliation Act.

SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the agreement and having equal legal validity.

By SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

MEMORANDUM OF UNDERSTANDING
BETWEEN
INESC TEC - INSTITUTE FOR SYSTEMS AND COMPUTER ENGINEERING,
TECHNOLOGY AND SCIENCE, PORTUGAL
AND
CHAROTAR UNIVERSITY OF SCIENCE & TECHNOLOGY, INDIA
(CHARUSAT)

This Memorandum of Understanding (hereinafter referred to as "Memorandum") is made this day of 2018 (hereinafter referred to as "Effective Date") between INESC TEC - Institute for Systems and Computer Engineering, Technology and Science, hereinafter referred to as "INESC TEC"- Campus da FEUP, Rua Dr. Roberto Frias, 4200-465 Porto, PORTUGAL and Charotar University of Science & Technology- CHARUSAT Campus, Changa, Anand, Gujarat - 388 421, INDIA hereinafter referred to as "CHARUSAT".

ARTICLE 1: PURPOSE

INESC TEC and CHARUSAT hereby establish a formal affiliation for the purpose of enhancing the relationship between INESC TEC and CHARUSAT through the promotion and development of collaborative academic, research and cultural exchange programs and other cooperative activities and assistances in areas of mutual interest and benefit. INESC TEC and CHARUSAT anticipate that such activities may include any or all of the following:

1. Collaborative research in the Electrical Engineering and Computer Engineering main domains, not excluding other related areas in which the two parties have activity.
2. Exchange of students;
3. Exchange of documentation, research material, publication and information in fields of mutual interest;
4. Development, organization and hosting of joint academic and cultural symposia, conferences, workshops and meetings;
5. Exchange of information, advice and assistance relating to areas of mutual interest; and
6. Other favorable activities of mutual benefit for the INESC TEC and CHARUSAT.

ARTICLE 2: TERMS AND CONDITIONS OF PROGRAMS AND ACTIVITIES TO BE EVIDENCED IN FUTURE WRITTEN AGREEMENTS

All future programs and activities shall be subjected to the approval of both INESC TEC and CHARUSAT, the availability of appropriate financial and administrative support and compliance with all applicable laws and regulations and policies of INESC TEC and CHARUSAT. Each program and activity meeting these criteria shall be evidenced in a separate written agreement, executed

by a duly authorized representative of INESC TEC and CHARUSAT and shall describe all of the terms and conditions relating to the program or activity and its implementation, including all financial obligations.

ARTICLE 3: EFFECT OF THIS MASTER AGREEMENT

This memorandum is a master agreement and describes the arena for future projects and relationships between the INESC TEC and CHARUSAT. It is not intended to contain any specific information regarding the terms and conditions of any intended or anticipated programs and activities between the INESC TEC and CHARUSAT and specifically excludes the grant of any benefit to, or the imposition of any obligation on both INESC TEC and CHARUSAT.

ARTICLE 4: INTELLECTUAL PROPERTY RIGHTS (IPR)

IPR shall be owned by the Party that generates them. In case where Intellectual Property Rights are generated based on input from both the parties, there will be a Joint Ownership. In such case, the Generating parties, within a six (6) month period as from the date of the generation of such IPR, will in good faith endeavor to establish a joint Ownership Agreement with regards to allocation and terms of exercising joint ownership.

ARTICLE 5: CONFIDENTIALITY

Each party shall keep confidential and not use for any other purpose not contemplated hereunder, all proprietary information disclosed by the other party and marked as being "Confidential", or "Proprietary", or by any other appropriate legend. The obligation of confidentiality under the present Memorandum of Understanding shall survive its termination for a period of three (3) years).

Specific confidentiality provisions, superseding the previous paragraph in relation to a particular program or activity, may be agreed between the parties in future agreements established under Article 8.

ARTICLE 6: TERMS AND EARLY TERMINATION

This memorandum shall become effective as of the effective date and shall continue for a term of five (5) years. Thereafter, it may be renewed for additional terms upon the written consent of both INESC TEC and CHARUSAT and upon such terms and conditions as agreed to by INESC TEC and CHARUSAT at the time of renewal. Either INESC TEC or CHARUSAT may terminate this memorandum at any time upon giving at least ninety (90) days prior written notice to the other party.

ARTICLE 7: EFFECT OF EXPIRATION OF EARLY TERMINATION

If, at the expiration of the initial or any subsequent renewal term, either INESC TEC or CHARUSAT do not agree to renew this memorandum, or upon the early termination of this memorandum, all of the current programs and activities shall be terminated as soon as reasonably practicable and upon terms agreed to between the INESC TEC and CHARUSAT. All separate agreements evidencing such programs and activities shall continue in full force and effect until the cessation of the program or activity in accordance with the terms and conditions agreed between the INESC TEC and CHARUSAT.

ARTICLE 8: TERMS OF FUTURE AGREEMENTS

Each agreement which is subsequently entered into by INESC TEC and CHARUSAT to evidence a future program and activity shall contain sufficient information to fully describe the specific relationship between INESC TEC and CHARUSAT in connection with that specific program or activity and shall fully describe the benefits and obligations of both INESC TEC and CHARUSAT. In particular, each such agreement shall address at least the following issues:

1. Each agreement shall specify the term of the program or activity but shall also reference that program or activity shall cease as soon as reasonably practicable and as agreed to between INESC TEC and CHARUSAT in the event this Memorandum expires or is terminated early.
2. Each agreement shall contain provisions substantially similar to those contained in ARTICLE 9 of this Memorandum as well as provisions on the governing law and disputes resolution through mediation and/or arbitration.
3. INESC TEC and CHARUSAT shall appoint their own representative with respect to each program or activity who shall be directly responsible for overseeing the implementation and operation of the program or activity.
4. INESC TEC and CHARUSAT shall review the activities proposed to be undertaken and shall include appropriate provision addressing the following issues: intellectual property rights provisions, risk of loss, responsibility for the acts and omissions of its employees, officers, directors, faculty and students with respect to the activities proposed to be undertaken, determining the necessity for and amount of insurance coverage with respect to the activities proposed to be undertaken, notification of the occurrence of events or incidents or incidents related to the activities proposed to be performed that could give rise to a claim against the other party, and provision that address applicable governing law, jurisdiction and venue in the event claims arise from the activities proposed to be undertaken.
5. INESC TEC and CHARUSAT acknowledge that INESC TEC is a Research Institution of legal status located at Portugal, with its major associate being the University of Porto, and cannot agree to be subject to the laws or legal process of a jurisdiction other than the Portugal jurisdiction only.
6. INESC TEC and CHARUSAT acknowledge that CHARUSAT is a University located at Changa, Gujarat, India and will be subject to the laws or legal process of jurisdiction of the State of Gujarat only.

ARTICLE 9: MISCELLANEOUS

1. This Memorandum does not restrict either INESC TEC or CHARUSAT from engaging in the same or similar activities with any third party.
2. This Memorandum benefits only the INESC TEC and CHARUSAT and their permitted assigns.
3. This memorandum may only be amended in writing upon approval of both INESC TEC and CHARUSAT.

4. This Memorandum may not be assigned (by operation of law or otherwise) or otherwise transferred by either INESC TEC or CHARUSAT, in whole or in part, without the prior written consent of the other Party.
5. The relationship created between INESC TEC and CHARUSAT pursuant to this Memorandum is that of independent contractor. Neither INESC TEC nor CHARUSAT has the authority or right to act on behalf of the other Party or to bind the other Party.
6. Neither INESC TEC nor CHARUSAT shall use the name of the other Party or any of its officers, employees or agents in connection with any press release, advertising, promotional literature or any other publicity matters, without the prior written consent of the other Party. Notwithstanding this restriction, both INESC TEC and CHARUSAT may use the name of the other Party in general and information listings and as otherwise required by applicable law.
7. No waiver of a provision, breach or default shall apply to any other provision or subsequent breach or deemed continuous.
8. Any notice required or permitted under this Memorandum shall be delivered by hand, by overnight courier or by each Party's (INESC TEC and CHARUSAT) national postal service and shall be sent to the address set forth below the signature of each Party and as such address may be amended from time in accordance with this memorandum. Delivery shall be deemed effective upon receipt, if delivered by hand or by overnight courier and within fifteen (15) working days (excluding Indian and Portugal national holidays) if mailed. This Memorandum shall continue in full force and effort, exclusive of any provision deemed to violate applicable law.
9. This Memorandum may be executed in 2 counterparts, all of which together shall constitute one agreement.

INESC TEC & CHARUSAT have executed this Memorandum by their respective duly authorized representatives.

MEMORANDUM OF UNDERSTANDING
BETWEEN
CHAROTAR UNIVERSITY OF SCIENCE AND TECHNOLOGY [CHARUSAT], INDIA
AND
EDULINK EDUCATION CONSULTANCY AND PLACEMENT FIRM, BHUTAN

THIS MEMORANDUM OF UNDERSTANDING ('MOU') is made on this **26th Day of January 2018** and it records the understanding reached by and between:

CHARUSAT (hereinafter referred to as "First Party"), a University registered under the laws of India and having its registered office at Changa, District: Anand-388421, Gujarat, India which expression shall where the context admits include its successors in title and assigns.

AND

EduLink Education Consultancy and Placement Firm (hereinafter referred to as "Second Party"), a company registered under the laws of Royal government of Bhutan and having its registered office at Pema Apartment, Flat no. 4, Babesa Expressway, Thimphu-11001, PO Box-1796, Bhutan.

(Both referred to as parties)

1. WHEREAS

- 1.1 Parties are desirous of entering into this MOU in which **CHARUSAT** and **EduLink Education Consultancy and Placement Firm** exchange resources, knowledge, services and skills for purpose of recruiting eligible students of Bhutan to study degree programs offered by the University under various streams.
- 1.2 Parties have agreed to enter into this MOU to set out their mutual understanding for promotion of admissions of students of CHARUSAT in Bhutan.
- 1.3 This MOU constitutes the entire integrated MOU between the above mentioned parties, and fully supersedes any and all prior understandings, representations, warranties or MOUs pertaining to the subject matter of this MOU. No oral MOUs, understandings or

representations shall change, modify or amend any part of this MOU. This MOU may be modified only by a written consent fully agreed by each Party.

2. Under this MOU Edulink Education Consultancy and Placement Firm must:

2.1 Promote the CHARUSAT academic programs in Bhutan, with integrity and accuracy and recruit prospective students in an honest, ethical and responsible manner;

2.2 Find suitable (e.g. academically qualified) prospective students in Bhutan to undertake CHARUSAT academic programs;

2.3 In accordance with CHARUSAT procedures and requirements recruit and assist in the recruitment of Bhutanese students and for that purpose provide all necessary information about CHARUSAT academic programs and assist in completing forms or applications and submitting these to the University;

2.4 Ensure that the prospective students academic documents are from accredited boards/ institution;

2.5 Inform prospective students accurately about the requirements of CHARUSAT academic programs. This can only be done by reference to the material provided by CHARUSAT and, when not available, through direct communication with CHARUSAT personnel;

2.6 Assist to uphold the high reputation of CHARUSAT;

2.7 Make sure that all necessary evidence and documents accompany a prospective student's application and acceptance of offer;

2.8 Provide any offer documents received from CHARUSAT to the student within 7 business days of receiving the offer documents;

2.9 Participate in education fair, advertise CHARUSAT and represent CHARUSAT in Bhutan with approval from CHARUSAT.

2.10 To submit details and evidences (Invoices, Bills, Photographs, paper cuttings, etc.) of advertisements, Education-Fair etc., they have participated in.

3. Under this MOU CHARUSAT:

CHARUSAT shall devote major efforts to support Edulink Education Consultancy and Placement Firm in recruiting and enrolling students from Bhutan to the programs of the University and hereby commits itself to the following obligations:

- 3.1 Provide Edulink Education Consultancy and Placement Firm with the registration and accreditation documentation issued by Indian Educational and Immigration Authorities;
- 3.2 Should release funds for the Advertisements, Education- Fair etc. as per mutually agreed terms for each of such initiative.
- 3.3 Provide Edulink Education Consultancy and Placement Firm with textual, graphic, audio and video materials presenting the programmes and services of CHARUSAT;
- 3.4 Provide Edulink Education Consultancy and Placement Firm with tuition fee schedule, curriculum, program information and details of scholarship etc.
- 3.5 Should not appoint any other company/person of similar kind without prior consultation with Edulink Education Consultancy and Placement Firm in normal condition. However, in exceptional circumstances it may do so (Similarly, Edulink Education Consultancy and Placement Firm shall not associate with other universities in State of Gujarat excepting in exceptional circumstances and with prior consultation and keep CHARUSAT informed).
- 3.6 Issue appropriate acceptance letter, tuition fee receipt and any other documentation which is required to provide to the students recruited by Edulink Education Consultancy and Placement Firm;
- 3.7 Assist Edulink Education Consultancy and Placement Firm to inquire into and expedite the processing of student authorizations;
- 3.8 Fulfill all promises of services and programmes as communicated to Edulink Education Consultancy and Placement Firm.

3.9 CHARUSAT shall assist student for with all procedure from admission and visa. CHARUSAT shall arrange free of charge airport pick from Ahmedabad/ Vadodara airport to CHARUSAT campus upon their first arrival. For subsequent arrivals, CHARUSAT will assist for the paid services.

3.10 CHARUSAT is responsible to monitor the students and provide feedback to parents regarding academic and social behavior regularly. CHARUSAT shall provide regularly progress report of the students' attendance, academic and social behavior reports and as on need basis in matters of urgency.

3.11 CHARUSAT will process admission within 7 working days from the date of application. In case of delays CHARUSAT shall notify Edulink Education Consultancy and Placement Firm immediately.

3.12 CHARUSAT shall be responsible to guarantee accommodations on sharing basis for all students unless the student wishes otherwise. If students wish to make their own arrangements for accommodation which will be allowed only if the Edulink Education Consultancy and Placement Firm provides written consent letter from their parents. CHARUSAT shall assist students in all matter of accommodation.

3.13 CHARUSAT shall ensure students are covered with medical insurance.

3.14 CHARUSAT commits responsibility of the students during their entire enrolment and will liaise with Edulink Education Consultancy and Placement Firm as needs arises.

3.15 CHARUSAT assigns Edulink Education Consultancy and Placement Firm as its authorized agent in BHUTAN;

3.16 Edulink Education Consultancy and Placement Firm shall direct all queries, application and admissions to CHARUSAT for further assistance and guidance regarding the enrolment to Edulink Education Consultancy and Placement Firm.

3.17 CHARUSAT should maintain the agreed fees for admitted students without changing it for entire duration of their study.

4.0 SERVICE CHARGES

4.1 Both parties understand and agree that for each successfully admitted student whose application has been submitted through Edulink Education Consultancy and Placement Firm,

CHARUSAT shall remit agreed SERVICE charges to Edulink Education Consultancy and Placement Firm as per Annexure 1.

4.2 In case of not admitting minimum five students during the period of MoU, Edulink Education Consultancy and Placement Firm will be liable to provide students in the next academic year, without charging any advertisement cost and service charges till total five students are admitted.

4.3 In case the admitted student cancels admission in the first year of course, Edulink Education Consultancy and Placement Firm will be liable to replace students in the next academic year, without charging any service charge.

4.4 Service charge will be payable to Edulink Education Consultancy and Placement Firm in parts as per the Annexure-I.

5.0 Confidentiality

Both parties must keep confidential:

5.1 All information provided by CHARUSAT, other than to the extent disclosure is required to perform the Services in accordance with the terms of this MOU.

5.2 Each Party shall at all times use its best endeavors to protect all the Confidential Information of the other Party, whether commercial or technical which the Party may acquire pursuant to this MOU.

6.0 Term, Commencement and Termination

6.1 This MOU shall come into effect upon signing by both parties and is valid for a period of two years subject to review at end of first academic year for any change terms and conditions.

6.2 This MOU may be terminated by either Party if any of the following conditions occur:

- (i) At any time upon 30 days' written notice of termination given to the other Party;
- (ii) With immediate effect upon the giving of written notice of termination, in the event that any representation or warranty made by the other Party contained herein is untrue in any material respect; and

MEMORANDUM OF UNDERSTANDING

BETWEEN

CHAROTAR UNIVERSITY OF SCIENCE AND TECHNOLOGY [CHARUSAT], INDIA

AND

KATHMANDU INT'L EDUCATIONAL ASSOCIATES (KIEA),

THIS MEMORANDUM OF UNDERSTANDING ('MOU') is made this 2nd day of January 2018 and it records the understanding reached by and between:

CHARUSAT (hereinafter referred to as "First Party"), a University registered under the laws of India and having its registered office at Changa, District: Anand, Gujarat, India which expression shall where the context admits include its successors in title and assigns.

AND

KIEA (hereinafter referred to as "Second Party"), a company registered under the laws of company Act government of Nepal and having its registered office at Kupondole-10, Lalitpur, Nepal.

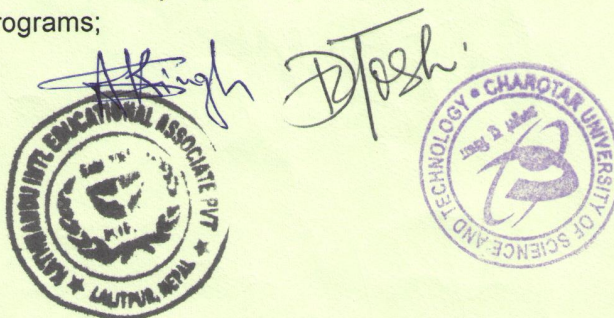

(Both referred to as parties)

1. WHEREAS

- 1.1 Parties are desirous of entering into this MOU in which **CHARUSAT** and **KIEA** exchange resources, knowledge, services and skills for purpose of recruiting eligible students to study degree programs provided by the University under various streams.
- 1.2 Parties have agreed to enter into this MOU to set out their mutual understanding for promotion of admissions to CHARUSAT.
- 1.3 This MOU constitutes the entire integrated MOU between the above mentioned parties, and fully supersedes any and all prior understandings, representations, warranties or MOUs pertaining to the subject matter of this MOU. No oral MOUs, understandings or representations shall change, modify or amend any part of this MOU. This MOU may be modified only by a written MOU fully executed by each Party.

2. Under this MOU KIEA must:

- 2.1 promote the CHARUSAT academic programs in Nepal, with integrity and accuracy and recruit prospective students in an honest, ethical and responsible manner;
- 2.2 find suitable (e.g. academically qualified) prospective students in Nepal to undertake CHARUSAT academic programs;

2.3 in accordance with CHARUSAT procedures and requirements recruit and assist in the recruitment of Nepalese students and for that purpose provide all necessary information about CHARUSAT academic programs and assist in completing forms or applications and submitting these to the University;

2.5 ensure that the prospective students academic documents are from accredited institution;

2.6 perform other services and provide reports or information requested by CHARUSAT or required by this MOU;

2.7 inform prospective students accurately about the requirements of CHARUSAT academic programs. This can only be done by reference to the material provided by CHARUSAT and, when not available, through direct communication with CHARUSAT personnel;

2.8 assist to uphold the high reputation of CHARUSAT and of India international education sector;

2.9 make sure that all necessary evidence and documents accompany a prospective student's application and acceptance of offer;

2.10 provide any offer documents received from CHARUSAT to the student within seven business days of receiving the offer documents;

2.11 share CHARUSAT with information about conditions in the international student market relative to the recruitment of international students;

2.12 participate in education fair & advertise CHARUSAT in Nepal with approval from CHARUSAT.

2.13 to submit details and evidences (Invoices, Bills, Photographs, paper cuttings etc.) of advertisements, Education-Fair etc., they have participated in.

3. Under this MOU CHARUSAT:

3.1 CHARUSAT shall devote major efforts to support KIEA in recruiting and enrolling students from Nepal to the programs of the University and hereby commits itself to the following obligations:

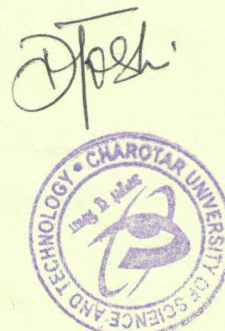

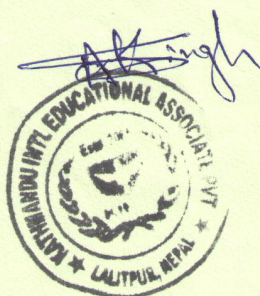

3.2 Provide KIEA with the registration and accreditation documentation issued by Indian Educational and Immigration Authorities;

3.3 Should release funds for the Advertisements, Education- Fair etc. (Annexure 3)

3.4 Provide KIEA with textual, graphic, audio and video materials presenting the programmes and services of CHARUSAT;

3.5 Provide KIEA with tuition fee schedule, curriculum, program information and details of scholarship etc.

3.6 Issue Certificate of Sole Authorization in favor of KIEA;

3.7 Should not appoint any other company/person of similar kind without prior consultation with KIEA in normal condition. However, in exceptional circumstances it may do so (Similarly, KIEA shall not associate with other universities excepting in exceptional circumstances and with prior consultation and keep CHARUSAT informed).

3.8 Issue appropriate acceptance letter, tuition fee receipt and any other documentation CHARUSAT is required to provide to the students recruited by KIEA ;

3.9 Assist KIEA to inquire into and expedite the processing of student authorizations;

3.10 Fulfill all promises of services and programmes as communicated to KIEA.

4.0 SERVICE CHARGES

4.1 Both parties understand and agree that for each successfully admitted student whose application has been submitted through KIEA, CHARUSAT shall remit agreed SERVICE charges to KIEA as per Annexure 1 and Annexure 2.

4.2 in case of not admitting minimum five students during the period of MoU, KIEA will be liable to provide students in the next academic year, without charging any advertisement cost till total five students are admitted.

- Recognizing the importance of research and development in the areas of Extraction, Identification, Pharmacology and Formulation as well as imparting industrial training to the students etc.

- Appreciating the need for creation of large reservoir of highly qualified manpower in all fields related to Extraction, Identification, Pharmacology and Formulation.

-NOW, THEREFORE, in consideration of the mutual promises made herein and of good and valuable consideration, the receipt and sufficiency of which both **RPCP-CHARUSAT** and **PHPL** hereby acknowledge, **RPCP-CHARUSAT** and **PHPL** hereby agree to sign a memorandum of understanding (MOU).

ARTICLE-I: SCOPE OF THE MOU

This MOU details the modalities and general conditions regarding collaboration between **RPCP-CHARUSAT** and **PHPL** for enhancing, within the country, the availability of highly qualified manpower in the areas of Extraction, Identification, Pharmacology and Formulation without any prejudice to prevailing rules and regulations in **RPCP-CHARUSAT** and **PHPL** without any disregard to any mechanism evolved and approved by the competent authorities under Govt. of India in so far as such mechanism applies to **RPCP-CHARUSAT** and **PHPL**. The areas of cooperation can be extended through mutual consent.

ARTICLE-II: SCOPE AND TERMS OF INTERACTIONS

Both **RPCP-CHARUSAT** and **PHPL** shall encourage interactions between the Scientists, Research fellows, faculty members and students of both the organizations

Through the following arrangements:

- a) Exchange of personnel through deputation as per the rules of the respective **RPCP-CHARUSAT**, for limited periods as mutually agreed upon;
- b) Practical training of **RPCP-CHARUSAT** students at **PHPL**;
- c) Joint guidance of student projects/thesis in Extraction, Identification, Pharmacology and Formulation another area of national interest at **RPCP-CHARUSAT** by **PHPL** on mutually agreeable terms.
- d) **PHPL** would accommodate students in such a number that **PHPL** seems convenient to it for imparting industrial training.
- e) **PHPL** may depute its personnel as visiting faculty at **RPCP-CHARUSAT** to teach any of the regular Course or specialized topics.
- f) **PHPL** personnel, as well as research scholars, may also be allowed to enrol for their Master/PhD. (Research) at **RPCP-CHARUSAT** subject to availability of seats, research facilities and subject to their fulfilling eligibility criteria and all other academic regulations of **INSTITUTE**. Further, **PHPL** may request to design and teach a Course or Courses which it deems fit to enhance quality and performance of its employees. Such Courses maybe run at any mutually convenient premises.
- g) **PHPL** may seek assistance/guidance of **RPCP-CHARUSAT** faculty member/s in product/process modification, modernization, trouble shooting, etc.

- h) PHPL would allow the industrial visits of students for half/full day to provide them with an exposure to various equipment, instrument, etc.
- i) PHPL may showcase its business activities at the seminar/workshop/conference, etc. at RPCP-CHARUSAT.
- j) PHPL may avail library, Internet, computational facilities at RPCP-CHARUSAT
- k) Post-graduate student will be allotted a Research supervisor from RPCP-CHARUSAT faculty members. A Research Scientist at PHPL may be appointed a Co-research guide as per the rules of the respective RPCP-CHARUSAT for a student Registered for Ph.D/Masters (Regular or Research) degree at RPCP-CHARUSAT. The student may be courage to take up the project such that PHPL desirably benefits from its outcomes.
- l) The students will carry out part of their Ph.D. research work or Master's project at RPCP-CHARUSAT and PHPL depending on the nature of the work as per rules of the respective RPCP-CHARUSAT depending on facilities and requirements.
- m) There will be no restriction on the contents of the thesis and on publication of results of the thesis, subject to the condition that no Intellectual Property Right can be secured for any part of the work which will be decided with mutual consent.
- n) Both RPCP-CHARUSAT and PHPL will be free to independently carry out follow-up research on the thesis work conducted under this scheme.
- o) If the outcome of a project related to product development, process and design etc. which involves matter of secrecy and concern with security of the State and the Country, the same will not be allowed for publication/printing in any form such as Electronically/verbal, etc. If the outcome of a project results into an intellectual property, for which rights can be secured, it will be decided on case to case basis. Similarly, sharing of expenditure in securing such rights and income accrued through royalty etc by the parties under the law will be decided on case to case basis after mutual consultation with both the parties.
- p) Research supervisors from both the RPCP-CHARUSAT and PHPL will be the corresponding authors in any publication resulting from the collaborative work. All the efforts put by the student/s as a part of this MOU will be accounted for by way of reporting the working thesis and/or paper publication except the part for which IPR needs be claimed.
- q) Neither of the supervisors will publish the work carried out under this MOU without knowledge of the other.
- r) In any of the activities mentioned above, wherever financial aspects are involved, amount, payment conditions, etc. would be spelt out clearly before starting the activity.

ARTICLE-III: EFFECTIVE DATE AND DURATION OF MOU

- a) This MOU shall be effective from the date of its approval by competent authorities at both ends.
- b) The duration of the MOU shall be for a period of 3 years from the effective date.

c) During its tenancy, the MOU may be extended or terminated by a prior notice of not less than six months by either party. However, termination of the MOU will not in any manner affect the interests of the students/faculty/scientists who have been admitted pursuing a programme under the MOU.

d) Any clause or article of the MOU may be modified or amended by agreement of **RPCP-CHARUSAT** and **PHPL**.

ARTICLE-IV: INTELLECTUAL PROPERTY RIGHTS

For The Projects Done In Collaboration:

Rights regarding publications, patents, royalty, **PHPL** ship of software/design/process/product developed etc. under the scope of this MOU, shall be decided by the two parties (**RPCP-CHARUSAT**) by mutual consent, before, after or during the project or MOU.

For The Projects Where Services Rendered By **RPCP-CHARUSAT Hired By **PHPL**:**

1. All products and results of **RPCP-CHARUSAT'S** services rendered here under (the "Work") are works made for hire. **RPCP-CHARUSAT** acknowledges and agree that the Work (and all rights therein, including, without limitation, copyrights, Patents, Trademarks) belongs to and shall be the sole and exclusive property of **PHPL**.

2. Notwithstanding the foregoing, **RPCP-CHARUSAT** also hereby assigns and transfers to **PHPL**, its successors and assigns, the entire right, title, and interest in and to all IPR in the Work; all registrations and IPR applications relating thereto and all renewals and extensions thereof; all works based upon, derived from, or incorporating the Work; all income, royalties, damages, claims and payments now or hereafter due or payable with respect thereto; all causes of action, either in law or in equity for past, present, or future infringement based on the IPR; and all rights corresponding to the foregoing throughout the world.

3. Notwithstanding the above, **RPCP-CHARUSAT** shall not assign and/or transfer any invention for which no confidential information of **PHPL** was used, unless the invention results from any work performed by **RPCP-CHARUSAT** for **PHPL**. **RPCP-CHARUSAT** hereby acknowledges that **PHPL** shall retain all right, title, and interest in all IPR's.

For The Projects Where Services Rendered By **PHPL Hired By **RPCP-CHARUSAT**:**

1. All products and results of **PHPL's** services rendered here under (the "Work") are works made for hire. **PHPL** acknowledges and agree that the Work (and all rights therein, including, without limitation, copyrights, Patents, Trademarks) belongs to and shall be the sole and exclusive property of **RPCP-CHARUSAT**.

2. Notwithstanding the foregoing, **PHPL** also hereby assigns and transfers to **RPCP-CHARUSAT**, its successors and assigns, the entire right, title, and interest in and to all IPR in the Work; all registrations and IPR applications relating thereto and all renewals and extensions thereof; all works based upon, derived from, or

Incorporating the Work; all income, royalties, damages, claims and payments now or hereafter due or payable with respect thereto; all causes of action, either in law or in equity for past, present, or future infringement based on the IPR; and all rights corresponding to the foregoing throughout the world.

3. Notwithstanding the above, **PHPL** shall not assign and/or transfer any invention for which no confidential information of **RPCP-CHARUSAT** was used, unless the invention results from any work performed by **PHPL** for **RPCP-CHARUSAT**. **PHPL** hereby acknowledges that **RPCP-CHARUSAT** shall retain all right, title, and interest in all IPR's.

ARTICLE-V: CONFIDENTIALITY

During the tenure of the MOU both **PHPL** and **RPCP-CHARUSAT** will maintain strict confidentiality and prevent disclosure of all the information and data exchanged under the scope of this MOU for any purpose other than in accordance with this MOU. Both **PHPL** and **RPCP-CHARUSAT** shall bind their respective personnel who come into possession or knowledge of any confidential information not to disclose the same to third parties without written approval of the disclosing party or use such confidential information for any use other than intended under this agreement or PROJECTS. Further both **PHPL** and **RPCP-CHARUSAT** shall put in place adequate and reasonable measures to keep and store confidential information secure to prevent any unauthorized use. CONFIDENTIAL INFORMATION shall mean any proprietary information, data or facts belonging to PARTIES collectively or severally, disclosed by the disclosing party under this agreement or any subsequent agreement, whether in writing, verbal or electronically, irrespective of the medium in which such information is stored, which is marked confidential or with any other words having similar meaning by the disclosing party, or specifically agreed to be kept confidential by the parties, or declared or identified so by the disclosing party before such disclosure or during the discussions. However confidential information shall not include any data or information which: (a) is or becomes publicly available through no fault of the receiving party, (b) is already in the rightful possession of the receiving party prior to its receipt of such data or information; (c) is independently developed by the receiving party without reference to the confidential information of the disclosing party (d) is rightfully obtained by the receiving party from a third party or is in the public domain (e) is disclosed with the written consent of the party whose information it is, or (f) is disclosed pursuant to court order or other legal compulsion, after providing prior notice to the disclosing party.

MOU for Physiotherapy- Sanjay Hospital, Nadiad

Sanjay Hospital, Nadiad (hereinafter referred to as "The Hospital") – is located at Nadiad.

Charotar University of Science and Technology (hereinafter referred to as CHARUSAT) is a University established under Gujarat Act No. 8 of 2009; having head quarter at Education Campus at Changa. Presently, CHARUSAT runs professional education programmes in Engineering, Pharmacy, Computer Application, Business Management, and Applied Sciences. Now, CHARUSAT has ventured into healthcare education.

It has started Bachelor of Physiotherapy (B.P.T.) Programme from the academic year 2009-10, Doctorate Programme (PhD) in 2011-12 and Masters of Physiotherapy Programme in 2013-14. For the training of the students pursuing this programme, CHARUSAT intends to enter into an academic MOU with Sanjay Hospital, Nadiad. Both the organizations have agreed to have such an academic MOU in the mutual interest and for the welfare of the society.

The agreement executed at Nadiad between CHARUSAT and Sanjay Hospital, Nadiad undertakes the following:

- (i) Sanjay Hospital, Nadiad agrees to have an academic MOU with CHARUSAT to the extent of educational support in the form of clinical exposure and training to the students. This will include access to the facilities like treatment procedures, methods, and data keeping necessary for educating the physiotherapy students during their regular studies and also during internship.
- (ii) The students while visiting hospital will be accompanied by teachers who will take full responsibility of educating their students availing the facilities. The students will strictly abide by the rules of the hospital and any kind of violation thereof will lead to denying the facilities available. Any damage caused by any student to the property or clinical facility will be compensated by CHARUSAT.
- (iii) CHARUSAT shall not have any claim on physical facilities of the Hospital or shall not claim any waiver of treatment charges or any other such favours other than for the purpose of education from the hospital.
- (iv) The Hospital shall have unequivocal right to bring an end to this agreement without assigning any reason or without any previous notice and CHARUSAT will not be entitled to any claim by way of compensation and / or damages.
- (v) CHARUSAT shall not make any endeavours to have covetous gain from this agreement. It is specifically understood that this agreement entered by both the parties is only with the sole purpose of "SERVICE TO HUMAN KIND".
- (vi) Students will not be allowed to deal with patients independently.
- (vii) That the Sanjay Hospital, Nadiad has qualified physiotherapy staff as per its requirement. Their guidance shall be available to the trainee students.
- (viii) For Clinical training and internship at Sanjay Hospital, Nadiad, fees to be paid by the CHARUSAT will be Rs. 500/- (Five Hundred) per student & the fees will be reviewed and revised yearly as per the discretion of Sanjay Hospital, Nadiad.

This agreement shall remain in force for next five years from the second academic year of Bachelor of Physiotherapy (B.P.T.) programme. It can be further extended by mutual consent if required, either in the present form or any modifications as the need be.

Memorandum of Understanding (MOU)

Between

Charotar University of Science and Technology (CHARUSAT), Changa

&

Medical Care Centre Trust (MCCT) Vadodara

Charotar University of Science and Technology (hereinafter referred to as CHARUSAT) is a University established under Gujarat Act No. 8 of 2009; having head quarter at CHARUSAT Campus at Changa. Presently, CHARUSAT runs professional education programmes in Engineering, Pharmacy, Computer Application, Business Management, Applied Sciences, Nursing, Physiotherapy and Paramedical.

Manikaka Topawala Institute of Nursing (Formerly Known as Charotar Institute of Nursing) - a constituent of CHARUSAT, has been started from the academic year 2009-10. It offers B.Sc.Nursing, General Nursing and Midwifery and M.Sc. programmes. For the training of the students pursuing these programmes, CHARUSAT intends to enter into an academic MOU with Medical Care Centre Trust.

Both the organizations have agreed to have such an academic MOU in the mutual interest and for the welfare of the society.

The agreement executed at Vadodara between CHARUSAT and the Medical Care Centre Trust undertakes the following:

- (i) Medical Care Centre Trust agrees to have an academic MOU with CHARUSAT to the extent of educational support in the form of clinical exposure and training to the Nursing students. This will include access to the facilities like treatment procedures, methods, and data keeping necessary for educating the Nursing students during their regular studies and also during internship.
- (ii) CHARUSAT shall be responsible for procurement and maintenance of affiliation and recognition from State Council, Indian Nursing Council and other legal authorities including State Government from time to time; wherein the Medical Care Centre Trust (MCCT) will not be responsible or will not liable for any de-recognition of the MTIN. CHARUSAT shall indemnify MCCT for any loss which may be caused due to non receipt of the requisite approval/permission.
- (iii) The students while visiting hospital will be accompanied by teachers who will take full responsibility of educating their students availing the facilities. The students will strictly abide by the rules of the hospital and any kind of violation thereof will lead to denying the facilities available. Any damage caused by any student to the property or clinical facility will be compensated by CHARUSAT.
- (iv) Students are allowed to do advance nursing procedure and assist in different medical procedures under the supervision of Clinical Instructor and Ward In-charge sister.
- (v) CHARUSAT shall not have any claim on physical facilities of the Hospital or shall not claim any waiver of treatment charges or any other such favors other than for the purpose of education from the hospital.
- (vi) MCCT shall have unequivocal right to bring an end to this agreement without assigning any reason. CHARUSAT will not be entitled to any claim by way of compensation and / or damages.
- (vii) CHARUSAT shall pay to Medical Care Centre Trust educational fees of one thousand Indian rupees (1000/- Rs) per student per month for B.Sc.Nursing, five hundred rupees (500/- Rs) per student per month for General Nursing and Midwifery (GNM) and one thousand Indian rupees (1000/- Rs) per student per month for M.Sc. Nursing for pediatric training. And additional to seven hundred Indian rupees for training in Anesthesia, Blood banking and Laboratory technology for per term for all students.

Memorandum of Understanding (MoU)

Between Charotar University of Science and Technology (CHARUSAT) and Shree Krishna Hospital (SKH) for providing clinical training to Nursing students of CHARUSAT

This MOU entered into this 30 day of April, 2018 between Manikaka Topawala Institute of Nursing a constituent of Charotar University of Science and Technology (CHARUSAT), Changa, Ta.-Petlad Dist. Anand (herein after called MTIN), on the part

And

Shree Krishna Hospital managed by the Charutar Arogya Mandal a registered public charitable Trust (herein after referred to as SKH) Karamsad Dist. Anand on another part.

1. Preamble

Nursing students are required to learn and acquire adequate knowledge, necessary nursing skills to practice the profession of nursing including thorough and exhaustive knowledge of nursing. The nursing students are required to acquire clinical knowledge in the field of patient care and treatment. The students should learn the principles of nursing care by way of practicals at the bed side. The MTIN has enough infrastructure to provide theory knowledge of the said field but for providing practical knowledge to the student, the MTIN would like to be affiliated with the Shree Krishna Hospital for clinical training. The SKH has state-of-the-art infrastructure facilities in all the aspects and has well qualified doctors, paramedical staff, equipment, 500 beds, laboratory testing facilities and more than sufficient number of indoor and outdoor patients for in-house training of nursing students for ward teaching and clinical training. The MTIN would like to take benefit for the rich resources of SKH in the interest of their students.

2. Scope of MOU

1. The parties to MOU undertake to co-operate in the field of nursing and patient care.
2. The programme to be carried out under this MOU will be determined by mutual agreement between MTIN and SKH.
3. To prepare skilled and trained manpower to practice in the field of nursing care and education of high caliber in hospital and communities.

3. Responsibilities

1. The mode and methodology of operation covered under this MOU are described in the Annexure-A.
2. Both the parties shall nominate co-ordinates as a single point of contact to represent the MTIN & SKH and to promote interface so as to plan, design implement, monitor and review the various activities scheduled from time to time and if required, draw the attention of the top management in case of any operational problem.

4. Financial Aspects

The MTIN shall be liable to make payment by crossed cheque in favour of Charutar Arogya Mandal as per below.

Study year	Fees to be chargeable per week per student
1 st Year	2000 Rs. / Student/ week
2 nd Year	2500 Rs. / Student/ week

The aforesaid fees decided based on the exiting fee structure of the MTIN. When the MTIN's fee are revised (by the Fee Committee), the fee payable to the SKH would be revised pro-rata.

5. Communication

Any communication or notice or information or proceeding shall be addressed to the co-ordinator of the respective parties and sent to the requested address of the parties concerned and such a communication sent by e-mail, tele-fax, registered post shall be deemed to the sufficient and acceptable.

6. Effective date and duration of the MOU

This MOU shall be effective form the date of signing of the agreement and will be valid for a period of three years. The validity of the MOU may be extended by mutual agreement.

7. Termination of MOU

This MOU may be terminated prior to the expiry of the MOU with three months notice by either parties and with the written consent of Registrar of CHARUSAT and Chief Executive Officer of CAM.

8. MOU copies

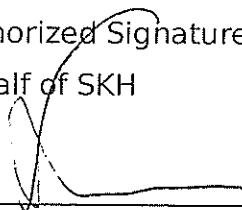

This MOU has been executed in two originals, one of which has been retained by MTIN and the other by the SKH.

9. Arbitration clause

In case of any dispute arising out of this MOU or any event of interpretation of any terms and conditions of this MOU, the parties shall not approach any court but any question of dispute arising out of MOU shall be determine by arbitration proceedings.

In witness whereof, the parties have signed this MOU on the day, month and year mentioned herein before.
