COMMENCEMENT CELEBRATION

**Date: 28th August and 13th
October, 2017**

The commencement celebration for first semester students of B.Pharm was organized on 28 August and 13 October 2017 (Annexure I and Annexure II respectively) at Ramanbhai Patel College of Pharmacy (RPCP), a constituent institute of Charotar University of Science and Technology (CHARUSAT), Changa. More than 60 students of first semester B.Pharm. participated in the celebration which consisted of different sessions coordinated by Dr. Mrunali Patel and Dr. Amit Patel.

The celebration on first day started with warm welcome by Dr. Anuradha Gajjar, Principal-RPCP, to students and parents of the students with a brief introduction of CHARUSAT to make them acquainted about the progress, achievements and unique features of the university. She also inspired, motivated and insisted the students to study with zeal, enthusiasm and vigour for their overall development. This was followed by academic orientation given by Dr. Gayatri Patel where she pointed out various aspects of academic such as course structure and academic regulation. The examination pattern and grading system of the university was explained in depth by Dr. Sandip Patel. The students were also familiarized with faculty members of RPCP by Ms. Kunti Shah, academic calendar by Ms. Mansi Paradkar and time-table by Ms. Avani Choksi. In order to familiarize the students with the college along with the visit, a short video on CHARUSAT and RPCP was shown to them which was co-ordinated by Mr. Umang Shah. Inspiration comes from a variety of sources, but movies can be particularly powerful for students. So a motivational film was shown to them to get into that motivated mindset and be ready for further challenges. They were further involved in playing games which acted as an ice breaking component amongst them and was co-ordinated jointly by Mr. Umang Shah, Miss. Jagruti Prajapati and Ms. Kunti Shah.

Mr. Ketan P. Naik, Director, Astral Steritech Private Limited was specially invited to interact with the budding pharmacists and make them aware about the practical aspects of Pharmacy as a qualification and career. He not only interacted but very effectively enlightened the students by his talk on "The light is always there at the end of tunnel". After lunch Dr. Jalpa Suthar & students of Central Council co-ordinated the student interaction and introduction by central council. Dr. Kamal Chakraborty and Mr. Sumeet Ghosai of B I Patel Human Resource Development Centre guided the students about Student Wellness Programme at University in detail. The counselling service provides support and guidance to students who are in crisis or who are experiencing moderate to severe mental health difficulties. The students are also provided counselling in areas of academic achievement, career choices or personal and social

development. Dr. Samir Patel introduced the students about university resources which are student oriented. Various cells like CDPC, anti-ragging cell; CPSH, WDC, EOC, Alumini and NSSD/NCC at RPCP had been introduced by faculty members. Thus the commencement celebration of two days successfully oriented and provided necessary support and information to new students as they begin their journey at RPCP.

Patel which are in more than 100 million eyes till date. He retired as Vice President of Research for Surgical products at Alcon.

Brief about the Course

The course has two major aspects;

1. Training for the Faculty Members

Dr. Anil S Patel trains all the nominated faculty members every year. In the Academic Year 2017-18, Dr. Anil Patel Trained **46** Faculty Members of CHARUSAT University. Under the proposed **CHARUSAT National Training Centre for Creativity**, **32** Faculty Members of CHARUST University, **05** Faculty Members of Uka Tarasadia University (UTU), **02** Faculty Members from P P Savani University (PPSU), **01** Faculty Member from Navrachana University and 02 Faculty Members from Ganpat University were trained by Dr. Anil Patel in the Academic Year 2018-19. In the same regards in 2019-20, **20** Faculty Members CHARUSAT University, **20** Faculty Members from RK University, **42** Faculty Members from CVM University, **36** Faculty Members from P P Savani University and **39** Faculty Members from Sankalchand Patel University were trained. The entire course and material is designed in a unique way by Dr Anil S Patel. Two delegates from Manipal Institute of Technology were also present during the faculty training.

Workshop on “Team Approach for Comprehensive Health Care”

Date – 18th and 19th December 2017

‘Research is the foundation of science’ leading to evolution of a researcher, marking his footsteps towards ‘serving mankind’. According to Dr. Prabhakar Sharma, head and professor (nephrology and hypertension division), Department of Medicine, Texas Tech Health Sciences

Dr. Prabhakar delivering his lecture

Centre, Texas Tech University, Lubbock, USA, “The objective of research is essentially to gain economic progress, social development and serving humanity.” During his two days interactive session held on 18th and 19th December 2017 at CHARUSAT University, Changa, Anand, Gujarat, he interacted with students and faculties of paramedical division encouraging them for research with a team approach. According to him, team approach is the key to attain a noble work. He elaborated his views on team approach and avenues in allied health care system and highlighted the growing demand of paramedics in health care.

The session was co-chaired by Dr. Mohan Rajapurkar, director (research and postgraduate studies, nephrology division), Muljibhai Patel Urological Hospital, Nadiad, Gujarat.

On 18th the Provost (CHARUSAT University) welcomed Dr. Prabhakar Sharma and discussed about research and education at CHARUSAT. Then Dr. Prabhakar along with Dr. Darshan (Principal, CIPS) reached the venue (MTIN, auditorium). The session started with formal introduction of Dr. Prabhakar and then he lead the session. He interacted with students and faculties of ARIP, MTIN and CIPS. The theme of the talk was “Team Approach for Comprehensive Health Care”. The session continued for about 2 and half hour and the students as well as faculties attended it with a great interest. He told the students that without team approach there would be no progress. He even discussed that students and teachers are the pillar for the next generation of health care system and in the next generation what is the importance of

Students Group discussion after lecture series

the paramedics. He showed that in the current scenario there is an extreme need for

the Paramedics. He also discussed various opportunities available at university level and how research is the inseparable part of any education system. The session ended with question and answers. Then, as a host we made him visited the whole campus and where he was very much impressed with our Hospital facilities and service. His day ended with lunch where he interacted with principals of various departments and they shared the view about research at both universities.

The next day 19th started with an elaborative discussion between Dr. B. G. Patel (Provost, CHARUSAT), Dr. Devang Joshi (Registrar, CHARUSAT), Dr. Prabhakar Sharma (Head, Nephrology Division, TTU), Dr. Mohan Rajapurkar (Director, Research Department,

Muljibhai Patel Urological Hospital) and Dr. Darshan Patel (Principal, CIPS). All the dignitaries discussed about the research opportunities across the universities and probable MOUs between the universities. Importance of student and faculty exchange programs across the universities. Dr. Prabhakar and Dr. Rajapurkar showed a keen interest in collaborations.

After the official meeting Dr. Prabhakar initiated the session at ARIP conference room and Dr. Rajapurkar co-chaired the session. Dr. Balaganpathy (Principal, ARIP) and Dr. Darshan (Principal, CIPS) were also present along with faculties and students of various streams. The topic for interaction was "Research orientation of students and

faculties and Avenues for faculty Development in Allied Health Sciences".

The session proved to be a fruitful session in terms of students learning various research opportunities available at various Universities located abroad. The guest constantly emphasized on the importance of research in the development of Universities at global level and role of students and faculty members in research activity. He also discussed the increasing demand of the Allied Health Care Sector. At the end, the session was open for questions and answer. Dr.

Interaction between spokesperson and Charusat faculties

Interaction between spokesperson and Charusat faculties

Rajapurkar also shared his views about research and its importance. Both the invitees explicitly said that research is the heart of any institute and it would be rather recognized only by the research activities it performs.

The two day program was managed by Dr. Dhara Patel (Head, MLT Department, CIPS) under the constant guidance of Dr. Darshan Patel (Principal, CIPS).

Event Schedule:

Date	Time	Session	Activity
13/01/2018	09.30 am – 12.00 noon	2 and ½ hour	Poster presentation

Summary of the Event:

Many modern parents begin to worry if their child is slow at learning. To start with, parents and teachers need to refrain from negative comments such as labeling the child as ‘dumb’, ‘loser’, or any such absurd monikers. Children are super-sensitive and they depend on feedbacks from grownups to set their little lives in order. Your negativity further affects the child’s learning process as he begins to believe in his inability to learn.

Slow learner: Slow learners are children taking a little more time than others do to grasp a concept. A child who takes more time and focus to think than others his age is said to be a slow learner. This child will hit the basic developmental stages just like his peers, but at a significantly slower rate. Nevertheless, this development will be relatively even.

To identify the slow learner in the group of students is an important task before to think how to deal with them.

To explore the various methods to identify and deal with the slow learner CHAMOS Matrusanstha Department of Mechanical Engineering has organized a Poster presentation event under the aegis of Equal Opportunity Cell on “ **How to improve learning capabilities in slow learner**” for the teaching faculties of CHARUSAT. Total 16 posters with 24 participants from different institutes had taken active participation in this event. Chief guest Dr. A.D. Patel Principal CSPIT, Dr. Vijay Chaudhary HOD, Mechanical Engineering Department, Dr. Vijay Panchal Convener EOC was present for the Inaugural Function. Dr. A.D. Patel sir appreciated the participants and also insists that to apply the ideas mentioned in the posters to the students. The participants' mentions main points in their posters are as below:

Symptoms in Slow Learner:

Slow reaction time, Lack of confidence, poor memory, and inability to express ideas, local point of view, less concentration, consistently getting poor grade in tests, lack of interest, unable to communicate, avoiding eye contact, lose track of time.

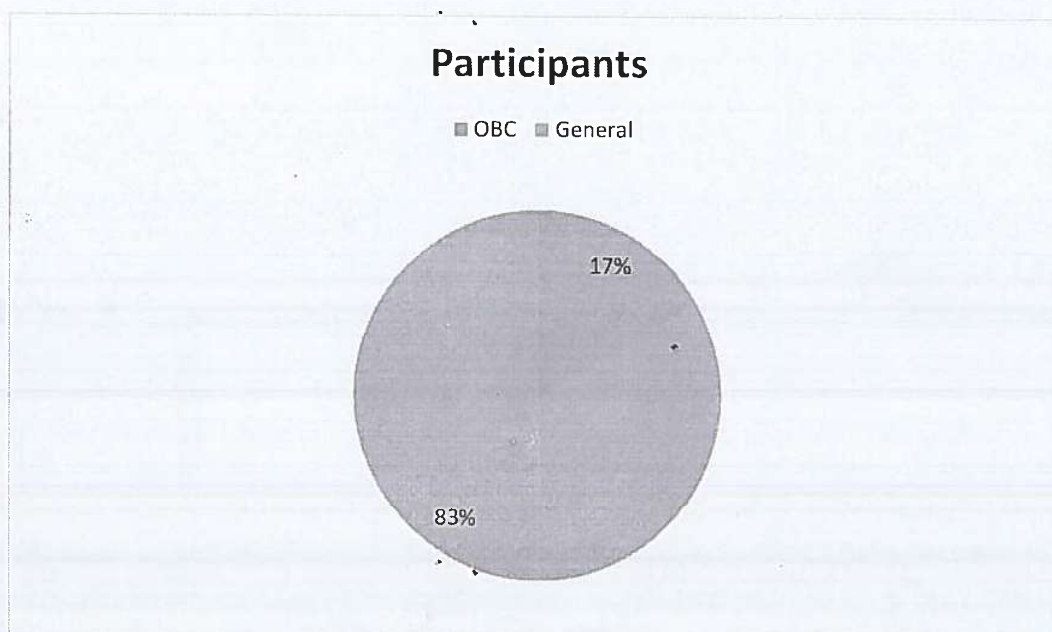

How to deal with Slow Learner to improve their learning capabilities:

Personal attention, development of self-confidence, flexibility in curriculum, treat with empathy, Audio visual aids, create free environment to learn without fear, guidance from peers, change seating, reduce distraction, assign small task, one to one interaction, restructure expectations, arrange remedial classes, give time to react on the task, use more images instead words, teach with real life examples to increase curiosity, teach with appropriated games, encourage for small achievement also, give chance to everyone to answer, meditation, continuous feedback, spend sufficient time with them, group discussion, give sufficient break time while teaching, initially use their familiar language for teaching, focus on oral communication first instead written communication, allow to express his view without any threatening, create healthy

relations with students and friendly learning class atmosphere, sometime use ice-breaker, have fun with some interval time of teaching, reward the students.

A Report on Bridge Course for MBA & PGDM Students (Semester - 1)

Particular(s):	Soft Skills / Language and Communication Skills
Day and Date:	August 02 – 03, 2017
Organized By:	Indukaka Ipcowala Institute of Management, CHARUSAT, Changa
Faculty:	Mr. Kaushik Trivedi, HSS, FMS, CHARUSAT
Objectives of Bridge Course:	This intensive course for the advance level learners aims to facilitate the scaling up process to bridge the gap between undergraduate and postgraduate level of learning. The focus of the training is not only to develop English language skills but also to prepare the learner for the college classroom learning atmosphere. Inputs on polite usage of English language, Academic Reading, Formal and Informal Writing, Public speaking, Communication Etiquette and Non-verbal communication would be given.
Brief Report on Bridge Course:	<p>A number of group activities, conversational practices, and vocabulary through activity based learning, letter writing, reading comprehension, pronunciation and enactments are conducted. The progress of the students is tested with an exit level test on the last day of Bridge Course.</p> <p>The students would have:</p> <ul style="list-style-type: none"> • Acquired the basics of LSRW skills • Developed their Research Writing skills • Designed a Personal Development Plan for the academic year focusing on Communication Skills • Become a more confident individual <p>Interaction was important and it was ensured that students interact meaningfully during through pair work and group work activities. Use of exercises such as role-play, creating posters with students' own ideas, solving puzzles together or creating stories together. Formal feedback was given by raising some of the language issues that occurred during class activity e.g. write some of the errors on the board and gets the class to correct them – try to get the students to correct their own errors if possible as this helps to keep them motivated.</p>

વર્કશોપ

વિદ્યાર્થીઓ માટે પેઇન્ટિંગ, ફોટોગ્રાફી, સ્કલ્પટીંગ, મીડિયા એન્ડ ગ્રાફિક ડિઝાઇન જેવા કોર્સિસ માટે વર્કશોપનો પ્રારંભ

ચારુસેટના 1250 વિદ્યાર્થીને લિબરલ આર્ટસની તાલિમ

ભાસ્કર ન્યૂઝ.આર્ગે

ચાંગાની ચરોતર યુનિવર્સિટી ઓફ સાયન્સ એન્ડ ટેકનોલોજીમાં સર્વગ્રાહી શિક્ષણ થકી વિદ્યાર્થીઓનો સર્વાંગી વિકાસ થાય તે માટે સતત બીજા વર્ષે નવીનતમ પ્રયોગ કરવામાં આવ્યો છે. જેમાં પ્રથમ વર્ષના 1250 વિદ્યાર્થીઓને શિક્ષણની સાથે લિબરલ આર્ટસના પાઠ પણ શીખવવામાં આવી રહ્યા છે.

ઈન્ડુક્ટ્રી ઈકોવાલા ઈન્સ્ટિટ્યૂટ ઓફ મેનેજમેન્ટ સંચાલિત હ્યુમાનિટીઝ એન્ડ સોશલ સાયન્સીઝ વિભાગ દ્વારા પેઇન્ટિંગ, ફોટોગ્રાફી, સ્કલ્પટીંગ, પોટરી એન્ડ સિરામિક આર્ટ, મીડિયા એન્ડ ગ્રાફિક ડિઝાઇન

ચાંગાની ચારુસેટ યુનિવર્સિટી દ્વારા પ્રથમ વર્ષના વિદ્યાર્થીઓ માટે વિવિધ આર્ટસની તાલિમ શરૂ કરાઈ છે.

અને આર્ટ એન્ડ ક્રાફ્ટ જેવા લિબરલ આર્ટસના છ કોર્સિસના વર્કશોપનો પ્રારંભ કરવામાં આવ્યો છે. જે પૈકી કોઈ એક કોર્સ ચારુસેટના પ્રથમ વર્ષમાં અભ્યાસ કરતા

વિદ્યાર્થી કરી શકે છે. ચારુસેટના ફેકલ્ટી ઓફ મેનેજમેન્ટ સ્ટડીઝના ડીન ડો.ગોવિંદ દવેએ જણાવ્યું હતું કે 'સર્વગ્રાહી શિક્ષણ થકી જ વિદ્યાર્થીઓનો પર્સનલ, પ્રોફેશનલ

અને સોશિયલ એમ ત્રણ ક્ષેત્રમાં વિકાસ થઈ શકે છે. આ હેતુને સિદ્ધ કરવા ડિપાર્ટમેન્ટ ઓફ હ્યુમાનિટીઝ એન્ડ સોશલ સાયન્સીઝ વિભાગની સ્થાપના કરવામાં આવી છે.

શ્રેષ્ઠ કલાકારો અને તજજ્ઞો દ્વારા તાલીમ

લિબરલ આર્ટસના કોર્સિસ વર્કશોપમાં તજજ્ઞો દ્વારા તાલીમ આપવામાં આવી રહી છે જેમાં અમદાવાદની નેશનલ ઈન્સ્ટિટ્યૂટ ઓફ ડિઝાઇનના દિલીપ ઓઝા અને રૂપેશ વ્યાસ, ફોટોગ્રાફર સુરેશ પારેખ, સુનિલ આડેસરા, મુકેશ આચાર્ય તથા ચિત્રકારો કનુ પટેલ, હેતલ શાહ અને અમિતાભ મડિયા અને રાષ્ટ્રીય અને ઓતરરાષ્ટ્રીય ખ્યાતિ ધરાવતા શિલ્પકારો અને ડિઝાઇનરો પણ આ વર્કશોપમાં સેવા આપી રહ્યા છે.

વિદ્યાર્થીઓના સર્વાંગી વિકાસ માટે ચાર્ટસેટ યુનિ.નો સતત બીજા વર્ષે નવીનતમ પ્રયોગ

આણંદ, તા. ૨૫ ચાર્ટસેટ 'વર્લ્ડ ક્લાસ યુનિવર્સિટી' બનાવવાના મુખ્ય ઉદ્દેશ્યને પ્રાપ્ત કરવા યુનિવર્સિટી ખાતે નવીનતમ પગલાં લેવામાં આવી રહેલ છે. આમાંનું એક અભૂતપૂર્વ પગલું એટલે કે કોર્સિસ ઓફ લિબરલ આર્ટ્સ. ચરોતર યુનિવર્સિટી ઓફ સાયન્સ એન્ડ ટેકનોલોજી ખાતે આવેલ ઈન્ડુક્ટોરી ઈન્સ્ટિટ્યૂટ ઓફ મેનેજમેન્ટ અંતર્ગત સંચાલિત છુમાનીટીઝ એન્ડ સોશલ સાયન્સીઝ વિભાગ હેઠળ પેઈન્ટિંગ, ફોટોગ્રાફી, સ્કલ્પટીંગ, પોટરી એન્ડ સિરામિક આર્ટ, મીડિયા એન્ડ ગ્રાફિક ડિઝાઈન અને આર્ટ એન્ડ ક્રાફ્ટ જેવા લિબરલ આર્ટ્સના કોર્સિસનો સમાવેશ કરવામાં આવે છે. આ ૬ કોર્સિસમાંથી વિદ્યાર્થીઓ કોઈ ૧ કોર્સનું ચયન કરે છે. જેનું શૈક્ષણિક કાર્ય વર્કશોપ મોડમાં કરવામાં આવે છે. યુનિવર્સિટીની તમામ વિદ્યાર્થીઓના પ્રથમ વર્ષના ૧૨૫૦ થી પણ વધુ વિદ્યાર્થીઓ તા. ૨૬ સપ્ટેમ્બર, ૨૦૧૫ થી તા. ૧ ઓક્ટોબર, ૨૦૧૫ સુધી સળંગ ૪ દિવસ સુધી લિબરલ આર્ટ્સના કોર્સિસ વર્કશોપ મોડમાં ભણશે. પ્રથમ વખત આ કોર્સિસ ભણાવવાનું અત્યંત સફળ આયોજન તા. ૨૨ સપ્ટેમ્બર, ૨૦૧૪ થી તા. ૨૫ સુધી વર્કશોપ મોડમાં કરવામાં આવેલ હતું. જેમાં યુનિવર્સિટી ખાતે સંચાલિત ૭ સંસ્થાઓના ૧૨૦૦ થી પણ વધુ વિદ્યાર્થીઓએ વર્કશોપના અંતે વિવિધ અભ્યાસક્રમો હેઠળ ૫૧૦૦ થી પણ વધુ મોડલો બનાવ્યા હતા. વર્કશોપ બાદ આયોજિત પ્રદર્શનમાં ૭૦૦૦ થી વધુ કલારિસિકોએ મુલાકાત લઈ યુનિવર્સિટીના આ પગલાને ખૂબ જ આવકાર્યું હતું.

ચાંગા ચાર્ટસેટ યુનિ. કેમ્પસમાં 1800 છાત્રો શીખ્યા લિબરલ આર્ટસના પાઠ

વિશેષ વર્કશોપમાં પેઈન્ટિંગ, ફોટોગ્રાફી, મીડિયા એન્ડ ગ્રાફિક ડિઝાઈન, પ્રોટેક્સ અને કન્ટેમ્પરી ડ્રાન્સની તાલિમ અપાઈ

નવગુજરાત સમય > આણંદ

ચાંગા સ્થિત ચાર્ટસેટ યુનિવર્સિટીના ઈન્ડુક્ટોરી ઈન્સ્ટિટ્યૂટ ઓફ મેનેજમેન્ટ સંચાલિત છુમાનીટીઝ એન્ડ સોશલ સાયન્સીઝ વિભાગ દ્વારા આયોજિત લિબરલ આર્ટ્સના વર્કશોપમાં ૧૮૦૦ છાત્રો વિદ્યાર્થીઓએ તાલિમ મેળવી હતી. ઉપરાંત લેઠળ ભારતના ૪૦૦ થી પણ વધારે શ્રેષ્ઠત કળા વિજ્ઞાના કલાકારો અને તજજ્ઞો ઉપસ્થિત રહીને માર્ગદર્શન આપ્યું હતું.

આ વર્કશોપ સાથે શરૂઆતથી જ જોડાયેલ પેઈન્ટર અને રંગમંચના જાણીતા કલાકાર કનુ પટેલે જણાવ્યું હતું કે લિબરલ આર્ટ્સના

વર્કશોપ યુવાધનને કલાજગત સાથે જોડવાનું જનલેજ જોવા મળતું શ્રેષ્ઠ ઉદાહરણ છે. કેન્દ્રી ઓફ મેનેજમેન્ટ સ્ટડીઝના ડીન ડૉ. ગોવિંદ દવેએ જણાવ્યું હતું કે "છેલ્લા પાંચ વર્ષથી આયોજિત લિબરલ આર્ટ્સના વર્કશોપ લેઠળ ૬૦૦૦ થી પણ વધુ વિદ્યાર્થીઓની ભાગીદારી થકી, યુનિવર્સિટીનું 'સાર્વત્રિક અને સર્વગ્રાહી વિકાસ' નું સ્વપ્ન સાકાર થયેલ છે. વિવિધ વિદ્યાર્થીઓના પ્રથમ વર્ષના

વિદ્યાર્થીઓ એક ફલક હેઠળ સાથે આવી ઝુપ વડે કરતા તેઓમાં કારકિર્દીના શરૂઆતના જ તબક્કામાં લીડરશીપ, ટીમ વર્ક, કમ્યુનિકેશન, ડીસીઝન મેકિંગ, મેનેજમેન્ટ વગેરે જેવા કૌશલ્યોનું નિર્માણ થયેલ છે. ચાર્ટસેટના આ નવીનતમ પ્રયોગની ભારત સરકારના સાંસ્કૃતિક મંત્રાલય દ્વારા પણ નોંધ લેવામાં આવતા રાષ્ટ્રીયકક્ષાના વિવિધ સાંસ્કૃતિક કાર્યક્રમોના યજમાન પદની ઓફર મળી રહેલ છે. વર્કશોપ દરમિયાન તજજ્ઞોમાં અમદાવાદ NIDના ભૂતપૂર્વ ડીઝાઈનર દિલીપ ઓઝા, ભદ્રેશ ચુક્લા, એવોર્ડ વિજેતા ફોટોગ્રાફર સુરેશ પારેખ, સુનીલ ઓડેસરા, કેતન પારેખ, એન. ભાટી, ચિત્રકરો કનુ પટેલ, અમિતાભ મડિયા ઉપરાંત અન્ય રાષ્ટ્રીય અને આંતરરાષ્ટ્રીય ખ્યાતી ધરાવતા અને પુરસ્કાર વિજેતા ફોટોગ્રાફરો, ચિત્રકરો, શિલ્પકારો અને ડીઝાઈનર્સ ઉપસ્થિત રહ્યા હતા.

Key Learning from the Workshop on Liberal Arts:

At the end of the course, students have developed the ability to enjoy, interact and performed arts and aesthetics with great deal of enthusiasm. Students have developed the ability and creativity to transfer sense of design and innovation. Those students who paint learn to think with an open mind, to look at situations creatively. They have also learned to express themselves more deeply through their art. They developed critical-thinking skills and must make decisions about what works and what doesn't on their own.

Conclusion:

It is a historical event for us as such an initiative has been taken for the first time by any University at national level. The learning from these courses will help students to cultivate the necessary skills to be responsible citizens as well as professionals in a diverse and increasingly interdependent global world. At the end of the course, students have developed the ability to enjoy, interact with and perform arts and aesthetics; and have developed the ability and creativity to transfer sense of design and innovation in their areas of science and technology.

**A Report on
Women Entrepreneurship Development Programme**

Introduction:

Women Entrepreneurship Development Programme (WEDP) under the Department of Science & Technology scheme aims to train the S&T graduates and diploma holders in the entrepreneurship essentials - conceive, plan, initiate, launch and maintain economic activity or run a successful enterprise. WEDP selects 25-30 potential women entrepreneurs and train them through a structured 4 weeks training programme. The online training pedagogy will follow a mix of theoretical sessions, practical's and case-based discussion.

Majority of the women face problems while dealing with the management of business and its other aspects like managing clients, **communications**, funding opportunities, credit applications, marketing of the business (products/services) etc. Access to better advisory and training would help women that are behind the small-scale family-owned businesses and others who are willing to start their own business.

This free training programme will be conducted with the help of well-trained experts. In this programme, women trainees will identify right business idea for them, steps to follow, and develop necessary knowledge and skills to evaluate and run a business.

Women entrepreneurs in Ethiopia are disadvantaged from the start. They have less access to the finance, networks, and education which help their male counterparts advance. They face regular discrimination and harassment from society-sometimes even from their own families and communities. The challenges a woman entrepreneur in Ethiopia faces in growing her business are overwhelming.

Only one-third of the small and medium-sized enterprises (SMEs) in the world are run by women. Women-business owners in developing countries face significant challenges to run their businesses, particularly in accessing finance.

Programme objectives:

- WEDP aims at providing budding women entrepreneurs with skills, adding support through growth-oriented business incubator and business accelerator.
- Understand the process of women empowerment through entrepreneurship development.
- Create an awareness of the need and importance of entrepreneurship.
- Develop vision, strategy & structure for entrepreneurship development.

- Evaluate new venture opportunity.
- Make them aware about promotional financial & regulating scheme for women.
- Develop skills in mobilizing and organizing women in recognition of women's potential as agents for social change.
- Prepare feasible & viable project.
- Develop necessary skills of enterprise creation and small business management.

INTRODUCTION:

On 10th Oct 2017, the nursing students of Manikaka Topawala Institute of Nursing, CHARUSAT University had celebrated world mental health day-2017

On theme of “Mental health in the work place”. During our adult lives, a large proportion of our time is spent at work. Our experience in the workplace is one of the factors determining our overall wellbeing. Employers and managers who put in place workplace initiatives to promote mental health and to support employees who have mental disorders see gains not only in the health of their employees but also in their productivity at work. A negative working environment, on the other hand, may lead to physical and mental health problems, harmful use of substances or alcohol, absenteeism and lost productivity. Depression and anxiety disorders are common mental disorders that have an impact on our ability to work, and to work productively. Globally, more than 300 million people suffer from depression, the leading cause of disability. The overall objective of raising awareness of mental health issues and mobilizing efforts in support of better mental health is full filled by various activity like **FLASH MOB & SWACHH BHARAT ABHIYAN at Railway Station Anand, DIBET COMPETION on “MISCONCEPTION OF MENTAL ILLNESS SOCIETY” and PANEL DISCUSSION on “PROMOTION OF MENTAL HEALTH” at D Z Patel School, Anand.** These event was organized by Mental Health Team of MTIN constituted Mr Deepak k.(HOD/Asst. Professor), Mr Jayesh Patidar (Asst. Professor), Ms Hetal Shah (Asst. Professor), Mr Anil Jarali (Asst. Professor), Mrs Deepti Vamja (Asst. Professor), Mr Jamin Chauhan (Nursing tutor), Mrs Anju Jakson (Nursing tutor), Ms Brijita Makwana (Nursing tutor), which is headed by Dr Anil Sharma, Principal MTIN.

Detailed activity wise report is submitted below:

- I. Introduction:** The mental health department of Manikaka Topawala Institute of Nursing organized a panel discussion on 'Promotion of mental health' on 10th October 2017, 12 noon to 1 pm at D. Z. Patel High School, Anand on occasion of World Mental Health Day.
- II. Agenda:** Panel discussion on 'Promotion of mental health'
- III. Objectives of the event:**
 - a) Introduction to the topic.
 - b) Definition of the term mental health
 - c) Characteristics of mentally healthy person
 - d) Presence of stressors in adolescents
 - e) Strategies to cope with stress
 - f) Use of mental mechanisms
 - g) Hazards of overuse of gadgets
 - h) Hazards of overuse of social networking
- IV. Participants/Beneficiaries:** 11th and 12th standard students of D. Z. Patel High School.

V. In detail explanation of the event with colored print of photographs

The mental health department of Manikaka Topawala Institute of Nursing organized a panel discussion focusing on Promotion of mental health among adolescents, especially standard 11th and 12th students of D. Z. Patel High School, Anand. The event was organized on occasion of World Mental Health Day, 2017. The theme for the day was “Mental Health at the workplace” and considering that school is a workplace for students the panel discussion was considered a significant step in creating awareness among students regarding mental health. The experts for the session were Mr. JayeshPatidar, Asst. Professor, Manikaka Topawala Institute of Nursing, MrsDeeptiVamja, Asst. Professor, Manikaka Topawala Institute of Nursing and MrsAnju Jackson, Nursing Tutor, Manikaka Topawala Institute of Nursing. Mr. Jamin Chauhan, Nursing Tutor, Manikaka Topawala Institute of Nursing acted as moderator for the discussion. The session started with a welcome of the dignitaries namely Mr. Rajesh Kachhiya and Dr Anil Sharma, Principal, Manikaka Topawala Institute of Nursing. The discussion started with the moderator asking MrsAnju Jackson about the presence of stress among the students in school. MrsAnju Jackson stated that stress is omnipresent among the students and it is a common problem that students would be affected by this stress. She further reflected that stress can be due to examination, peer pressure, teacher pressure, parental pressure or even competition. Such stress leads to adverse reactions from students like substance abuse, school dropouts, social isolation and even suicide. She further stressed that stress can be managed intelligently if students realize it at an early stage and react to it in a positive manner. They could seek help of parents or teachers and talk to the elders regarding their day-to-day problems. She also advised those coping mechanisms like outdoor play, talking to parents regularly, regular breaks and healthy eating.

The next question was directed at Mr. JayeshPatidar on the use of mental mechanisms and their advantages as well as disadvantages. Mr. JayeshPatidar quoted examples of various mental mechanisms and mentioned their uses as well. He cautioned the audience that usage of mental mechanisms like sublimation, repression, compensation, fantasy, denial and reaction formation is good only until a certain period of time and that it will start taking toll on the user after which he might show signs of mental disturbance.

MrsDeeptiVamja was consulted on the effects of social networking and gadget use. She updated the audience on the statistics prevailing on gadget and social networking use among students. She said that a alarmingly high number of mental disorders reported among adolescents were due to overuse of gadgets like mobiles and laptops. Virtual gaming has further tilted the scales negatively. She guided the students and effective use of gadgets and appropriate use of social network.

A report on Two days Workshop on Developing a Quantitative Research Proposal

A two days' workshop on "Developing a Quantitative Research Proposal" was organized by Ashok & Rita Patel Institute of Physiotherapy (ARIP), a constituent of CHARUSAT on 9th and 10th March 2018. This course was conducted by Dr Prakash V PT, Ph.D., and coordinated by Dr Megha Gohil (PT), Assistant Professor, ARIP

The primary objective of this course was to guide students and faculties in developing a quantitative research proposal. The course provided a broad overview of steps involved in developing a research proposal and practice to develop skills required for preparing and writing a quantitative research proposal.

Twenty three participants including physiotherapy faculties and post graduate students had participated in the workshop. This workshop was based on problem- based learning methods which included group activity on developing a research problem and research

question, and designing a study with a given research problem. At the completion of the workshop, participants reported increased levels of knowledge about formulating hypotheses, identifying research variables, study design, developing and critiquing research questions. They expressed overall satisfaction with the learning outcomes of the workshop.

યોગસત્ર (પુર્વાર્ધ)

"પહેલું સુખ તપ જાતે નર્યા " એ કહેવત અનુસાર દરેક માનવીના પ્રયત્નો પ્તના શરીરને તંદુરસ્ત રાખવાના હોય છે, પરંતુ શરીર સાડે રાખવાથી બધું આવી જતું નથી તેણે પોતાનું મન પણ સ્વસ્થ રાખવું તેટલું જરૂરી છે. આમ તન અને મનની સ્વસ્થતા એક સાથે મેળવવા માટે યોગનો સહારો, એવો આવશ્યક છે. આજના તાણાયુક્ત જીવનમાં માત્ર યોગ જ મનુષ્યને સ્વસ્થ રાખી તણાવમુક્ત બનાવવામાં સહાયક થઈ શકે છે.

મહર્ષિ પતંજલિએ આ યોગમાર્ગ બતાવ્યો છે જેમાં આજસુધી કોઈ ચેતના સંબંધી વધારો કે ઘટાડો કરી શક્યું નથી. જે તેની પૂર્ણતાની સાબિતી છે. તો વા યોગમાં પૂર્ણતા મેળવવા ક્યાંથી શરૂઆત કરવી તે પ્રશ્ન આપણા મનમાં સહેજે ઉદભવે અને તપ વિષે જાણવાની જીજ્ઞાસા પણ થાય. આવા યોગ જિજ્ઞાસુ સાધકો માટે મહર્ષિ પતંજલિ યોગ મંડલ એક યોગ સત્ર નું આયોજન કરી રહેલ છે. જેમાં યોગ વિશેના જરૂરી પાસાંઓની સૈધાંતિક તથા પ્રાયોગિક નિદર્શન દ્વારા છનાવટ કરવામાં આવશે.

આ સત્ર દરમિયાન દરરોજ સાંજ બે કલાકના સમયગાળામાં યોગાસનોની સમજણ, યોગમાં તેની વિશિષ્ટ જરૂરીયાત, તેનું નિદર્શન અને સૈધાંતિક તથા પ્રાયોગિક પ્રશિક્ષણ આપવામાં આવશે.

નોંધ:

- 1) આ સત્રમાં ભાગ લેતી બહેનોએ આવેદન પત્ર ભરીને સંપર્કકર્તાને સત્વરે પહોંચવું કરવાનું રહેશે. અનુમતિપત્રનો ક્રમાંક નંબર પ્રવેશ માટે યાદ રાખવો ફરૂરી છે.
- 2) ભાગ લેનાર દરેકે નીચે દર્શાવેલ સ્થળે નિયમિત સમય પહેલાં ૧૦ મીનીટે બધા જ દિવસ અચૂક હાજર રહેવું.
- 3) દરેકે શેતરંજી તથા નેપકીન સાથે લાવવા અને આઆસનો સરળતાથી થઈ સકે તેવા ખુલતાં, સદા વચ્ચો પહેવાં.

World is amending along with the Digitalisation of everything. Digitalisation is major process of Technology shift from Analog to Digital. Since last 5+ decades it has provoked the major changes in the industries. So it can be said that Change is Digitalization! When it comes to manufacturing the popular terms are:

1. 3D Printing.
2. Digital Manufacturing.
3. Digital Additive manufacturing.
4. Rapid Prototyping.
5. Rapid Manufacturing.

To grapple with the market demand one should be aware about the latest trends in the field of manufacturing. The planned event will be helpful to the students in being cognizant about the prevailing market trends and its ambits in future.

Details of the event are as follows:

Event name : **Digitalisation of Manufacturing**
(Using SOLIDWORKS 3D CAD software and 3D Printer)

Date : **6th February 2018 (Monday)**

Time : **12.00 p.m. to 4.00 p.m.**

REPORT

State level 2- Days workshop on “ Know Your Vehicle”

5th & 6th April, 2018

Department of mechanical engineering is always ready to serve the knowledge based on technical and with practical orientation, and after clustering many ideas we suggest to have a 2 day workshop on automobile basics and ease of maintenance of our own.

After having many talk and discussion we got confirmation from Mr. Shaan Varma, Entrepreneur of Carmate Tech Center and Design panel Judge of SAE BAJA, to share his knowledge with students.

On first day, 05/04/2018 of the workshop organized at RPCP Auditorium with strength of 138 students under the aegis of SAEINDIA Collegiate Club and hosted by Team Ojaswat, had a blissful presence of Dr. A.D.Patel, Principal, CSPIT and Dr. Vijay Chaudhary, HOD, ME, we inaugurated our workshop with Lamp Lightning and with blissful words from Respected Principal sir and HOD Sir.

Practical by Technical Team Member (05/04/2018)

In the first half of this first day, with his theoretical hands on problem resolving techniques in routine with many automobiles learning like engine system, combustion system, and many more, students having great enthusiasm to gain something practical hands on and so after lunch session

we arranged practical hands on in IC Lab, Mechanical Department for greater understanding and fruitful result of the first session, and we completed that second session at 4:30 with eagerly eyes of students for the automobile knowledge.

On Second day, 06/04/2018 session started at 9:30 a.m. further having a knowledge gaining attitude in participants for automobile, Mr. Varma started his talk and as times reach for lunch students having much more knowledge about automobile transmission system, brake and clutch system and much more topic context of daily access in automobile. After lunch session, he further started a full automobile part inspection by opening the bonnet of five cars and give instruction to find difference of system placement in all cars by making five groups, 30 students in each. And that was beautiful practical hands on for the students to understand the real part assembly under the bonnet. And after students have a few technical questions and queries which they had and asked to Mr. Varma after this practical session and got satisfied answer from him. The programme ended with valedictory function.

Dear Students (Mechanical/Electrical/E&C),

As you all know that Team OJASWAT is participating in National and International Formula Students Events every year.

And For this participation Team wants a deep involvement of students from Mechanical, Electrical and Electronics Department students. By involving such kind of events, you will get the practical exposure of the engineering as well more approach towards real life engineering problem.

So, as a Faculty Advisor of Team OJASWAT, I invite you to be a part of team and get better opportunity to work with the realistic engineering approach.

Thanking you in Advance. Hope for your better participation in this event.

The Date for the selection process will declared soon.

Event Schedule:

Date	Time	Activity
09/09/2017	9:15 AM – 4:20 PM	Workshop

Summary of the Event (Maximum 200 words):

In conventional surveying, chain and tape are used for making linear measurements while compass and ordinary theodolites are used for making angular measurements. Leveling work is carried out using a Dumpy level and a leveling staff. With such surveying instruments, survey work will be slow and

tedious.

Hence modern surveying instruments are becoming more popular and they are gradually replacing old surveying instruments such as compass and Dumpy level. With modern surveying instruments (i.e. Total Station), survey work will be precise, faster and less tedious. Mr. Jay Bhavsar had delivered the lecture, familiarizing students to various modern survey instruments and cleared the concept of basic principle & operations on total station for the second year students. Mr. Yasni Vohra, Sr. Surveyor Consultant who has a wide experience in the field of surveying helped the students to carry out the practical hand on session with total station.

CHARUSAT

Charotar University of Science and Technology is established under the Gujarat Act No. 8 of 2009, Government of Gujarat. University Grants Commission has empowered CHARUSAT to award Degrees under Section 22 of UGC Act 1956. University recently accredited with "A" by NAAC, Bangalore. The University is identified with cutting edge research, robust academic programmes, quality teaching learning process and over-all personality development interventions of its students. CHARUSAT campus provides refreshing environment and stimulates intellectual growth and creativity.

M.S.Patel department of civil engineering

Civil Engineering is a broad field of engineering that deals with the planning, construction, and maintenance of built environment and other infrastructure facilities and are closely related to earth, water and environment. The Department of Civil Engineering at CSPIT, CHARUSAT was established in year 2008 to impart quality education & conduct research in Civil Engineering to cater the rising needs and demands of the society. The Department has constantly been equipping itself with technological advancements of national priority and flexibly adapting to changing scenario in the fields of Civil Engineering. The Department offers B.Tech in Civil Engineering (120 Seats), M.Tech – Structural Engineering (18 Seats) and PhD programmes in various discipline of Civil Engineering. The department is also equipped with licensed software's like STAAD Pro S6,

Midas Civil, Bently Road max, STRUDS 12.0, ESRGSR V4, GEOS, Primevera P6 & Bently Combined.

Department of Mechanical Engineering

The CHAMOS Matrusanstha Department of Mechanical Engineering offers undergraduate programme in Bachelor of Technology in Mechanical Engineering, postgraduate programme of Master of Technology (M. Tech. CAD/CAM) and Ph.D programs in Mechanical Engineering. The department is equipped with sophisticated laboratory equipments in various areas like Surface Engineering, Tribology, Reverse Engineering, Unconventional Machining, Control & Automation, Machine Vision etc. The department is also equipped with licensed software's like LABVIEW 2009, Hyper works 11.0, Autodesk, ANSYS, MINITAB, XOR, COMSOL and ABAQUS.

Objectives of The Program

- To apply the Finite Element Method for solving basic problems related to spring analysis, stress analysis, strain, Fluid flow etc.
- To explore how to use APDL, ANSYS workbench and Abaqus tools to solve Engineering problems.
- Appropriate application of Finite Element Technique to simulate the object as per its application of usage.
- To understand pre-failure behavior of the object developed using simulation softwares.

Dear Sir / Madam,

Manubhai Shivabhai Patel Department of Civil Engineering is going to organize **Expert Lecture** on "Emission Trading Scheme (ETS) – A Novel Approach Towards Pollution Control" By **Er. Chirag Bhimani, Deputy Environmental Engineer, Gujarat Pollution Control Board (GPCB), Gandhinagar** at **EC/EE Auditorium (Room no. 212)** on **31st August, 2017 from 2:30 PM onwards.**

The lecture is organized for 3rd year students as well as final year elective students (**CL 433 ONLY**).

We request all the faculty members who are taking lectures / labs in **3rd Year and final year (CL 433) between 2:20 PM to 4:20 PM** must bring all the students to EC/EE Auditorium by 2:20 PM as lecture will start at sharp 2:30 PM. In addition, All the faculty members who do not have teaching load in this duration are invited for the lecture.

Your Cooperation in this regard will be highly appreciated.

Summary of the Event (Maximum 200 words):

Expert lecture was about technical parameters to be considered for the design as well as construction of pile foundation. Difficulties to be faced during the construction of cast in-situ pile, and how to overcome problems related to it. Expert lecture was delivered with few case studies related to pile failures. Predicted reasons for the cause were explained, which students found interesting. Other part of lecture was regarding NDT of pile. Pile integrity test and pile

dynamic test were nicely explained. Overall, an expert lecture was fruitful for the students to understand behavior of pile in different condition with appropriate field examples.

	11.30 am to 11.45 am	Discussion Session

Summary of the Event:

This lecture on R.C.C. and Steel structures analyzed and design using different types of software is aimed at the industrial design profession. Mehul sir has explain basic concept about balanced section, under reinforced section and over reinforced section using stress strain diagram deeply. He also explained analysis and design parameter about T-beam by using presentation and STAAD.Pro software. After that he explain about one way slab and two way slab by using presentation and also on STAAD.Pro. After completion R.C.C. portion sir has explain about steel structures. In steel structures pre engineering structure (PES) is most economical and advance method for industrial structures. Sir has also explained steel structure using some images and Staad file. Students will also aware some kind of design software likes STAAD.Pro.

Summary of the Event (Maximum 200 words):

Analysis & design of oil & gas structures is an important subject of Advanced analysis and design of structure. The lecture on Structural Analysis and Design of Onshore and Offshore Refinery Structures was organized on 09/04/2018 for the second year M.Tech Structure students, Final year students and third year students of Civil Engineering Department. To deliver the lecture Mr. Girish Rakhonde and Mr. Bhagirath Patel, founder of CNSES Global, Company, Mumbai were invited.

Mr. Girish Rakhonde and Mr. Bhagirath Patel have a wide experience in the field of oil and gas industry with good knowledge of international codes like Indian, American, European, Russian, Norwegian, Australian, Algerian design codes. Mr. Rakhonde explained the significant parameters for Analysis and Design of offshore and onshore refinery structures. He explained in detailed the various types of loads which are to be considered for analysis & design of oil & gas structures. He also shared his knowledge gained during his visit and stay into different countries like Germany, Norway etc. This expert lecture was also an eye opener to all the Civil Engineering students for their career development. Both of the experts shared their vast knowledge and experience with the students.

Respected Faculty Members,

An expert talk on **"Introduction to Power Electronics"** has been organized by V.T. Patel Department of Electronics & Communication Engineering.

Date & Time	14 th July, 2017 & 09:10 A.M. to 01:10 P.M.
Speaker:	Mr. Jignesh Patel, Project Engineer, ABB, Vadodara.
Venue	Room No:212, E.C. Department, CHARUSAT, CHANGA
Audience	B.Tech.-EC Students (5th Sem)

All interested faculty members are cordially invited to attend the expert talk.

Expert Talk Title: Introduction to Power Electronics

Date and Time: 14-07-2017, 09:10 a.m. to 1:10 p.m. (4 Hours)

Resource Person: Jignesh Patel, ABB, Vadodara

Summary/Topics covered in Expert Talk:

- ✓ Power Electronics is the art of converting electrical energy from one form to another in an efficient, clean, compact, and robust manner for convenient utilization. Initially, applications of power electronics in industries were discussed. Basics of Thyristor, TRIAC, UJT, and Power Diodes explained deeply.
- ✓ Working of Cyclo-convertors. Case study on different convertors that are being used in ABB, Vadodara. Create an awareness of the general nature of Power electronic equipment; the key features of the principal Power Electronic Devices; An idea about which device to choose for a particular application. A few issues like base drive and protection of PE devices and equipment common to most varieties.

Date: 29-03-2018

Expert talk Title: Compensator Networks

Date and Time: 29-03-2018, 12:10 a.m. to 01:40 a.m. (2:30 Hours)

Resource Person: Prof. Tigmanshu Patel, DDU, Nadiad

Summary/Topics covered in Expert Talk:

In the expert talk on Compensator Networks, the topics covered are Basic overview of PID Controllers and Compensators and Applications of PID controller in real life projects. The important use of PID controller and lead/lag compensator in control systems to validate the stability of the systems and the effect of the change of different parameters during the process of checking the stability. This will help students to verify and check the stability of their projects or systems developed during the mini project sessions.

Dear all,

Greetings of the day.....!!

I am very pleased to let you know that our department has organised an expert session on **"Designing of transformer and its Electrical and Magnetic Circuit analysis through Finite element analysis (FE Analysis) of Transformer in field of High-voltage engineering"** by **Mr. Dhruvesh Mehta (Assistant Manager(R&D), Transformers & Rectifiers Ind. Ltd.)** on **23-03-2018 (Friday)**.

Moreover, he has a vast experience in manufacturing, testing and designing and Research and Development activities of Power and Distribution transformers. So those who are interested in this work it will be advantageous for them to attend.

Furthermore, faculty members who are free and interested may join the session.

Date: 23-03-2018

Venue: RPCP Auditorium.

Session 1: 09:00 am to 11:20 am.

Break Time: 11:20 am to 12:00pm

Session 2: 12:00 pm to 02:00 pm.

Attendance will only be counted who are going to attend both the sessions thoroughly.

Looking forward for your active and positive presence.

The lecture was arranged during 11.30 am to 02.00 pm on 23rd March, 2018.

Mr. Dhruvesh Mehta is a Sr. Engineer at Transformers and Rectifiers India Limited, and has experience in design development with a demonstrated history of working in the electrical and electronic manufacturing industry. He is also skilled in AutoCAD, Finite Element Analysis, Six Sigma, Manufacturing and Transformer.

He has started his talk with the introduction of the manufacturing of the Transformers and different assembly lines used in the entire manufacturing of the product. Also, he shared his practical experience in the field of transformer circuit testing. He briefed to the student about how the industry uses different software and carries out studies on Finite element analysis of different parts and the magnetic circuit.

Dear students,

It is our pleasure to have such enthusiastic students in our institution who are eager to learn the concepts and technologies at an early stage. Here is another opportunity for you.

Grab it to learn !!

A seminar for "**Graphics in C**" is scheduled on **4th November 2017 (Saturday)** from **9:30 am - 11:30 am** for B.Tech F.Y - Semester 1 students of DPIATR - CE/CSE/IT. **Hands-on for the same would be carried out in the seminar.**

This session would help you understand the concepts of your Mini-Projects related to graphics.

The pre-requisites are:

1. **Fully charged laptop***
2. **Download Software "Turbo C++" from below link. (If you have already installed, no need to re-install.)**

<https://www.dropbox.com/s/k7u06l8w15x6suu/Turbo%20C%2B%2B%20for%20Windows.zip?dl=0>

*Laptops can be shared in group.

Seminar would be conducted by Mr. Parth Goel (Asst. Prof. - CE Dept.)

Venue of the session will be communicated soon.

Seminar on Graphics in C with hands-on

Devang Patel Institute of Advance Technology and Research (DPIATR) always inspire students for their development in technology and research. By this motive, students should learn tools or technologies which are advancement of their syllabus and they would be helped to make them industry ready.

Seminar on Graphics in C with hands-on was conducted on 04/11/2017 (Saturday) by Mr. Parth Goel (Assistant Professor – Computer Engineering). The target audience was the first year students of CE/CSE/IT of DPIATR. A total of 54 students attended the session.

Seminar Hall of CE/IT building was booked for conducting the session. The session lasted for 2 hours 30 minutes. Graphics can be used to draw different shapes, different style and size of text with different color using programming language C. This session will be helpful to the students to make their mini projects.

The following topics were included:

1. Information about pixel
2. Two output mode of C
3. Minimum requirement for graphics programming in c (software + hardware)
4. Sample basic code
5. Text based functions
6. Shape based functions
7. Miscellaneous functions
8. Installation process and setup
9. Examples with hands-on
10. Applications with hands-on

SCIENCE મંથન 2018

25th February 2018, Sunday

SCIENCE MANTHAN - 2018

THEME – Raising Scientific temper

It has been well recognized that if India were to succeed and fulfill the dreams of great visionaries of the country, it has to foster scientific temper and creativity into the minds of young citizens. Such efforts made little by little could empower them to blossom into worthy citizens of the nation in future. Various ways of inducing scientific temper includes scientific literacy, scientific attitude, scientific thinking, scientific method, scientific perception and scientific habit. Imparting knowledge of science through experimentation and demonstration involving students directly in activities similar to how scientists operate in discovering new knowledge, could play an instrumental role in igniting scientific temper. Towards achieving this goal, meaningful brain storming and subsequent proactive implementation of ideas generated is needed. CHARUSAT's SCIENCE MANTHAN – 2018, a 3rd event of the series, provides a continual platform for budding scientific minds to discuss their innovative concepts in a common platform.

PDPIAS

P. D. Patel Institute of Applied Sciences (PDPIAS) patronised by late Shri. P. D. Patel, Emirate's Transformer & Switchgear Ltd, Dubai, is one of the constituent institutes of CHARUSAT. It was launched in 2007 to impart postgraduate education and conduct research in emerging areas of Applied Sciences such as Biological, Chemical, Mathematical and Physical Sciences. PDPIAS offers following programs through CBCS based pedagogy

- BSc Dual Degree (B. Sc. + M. Sc.) in Biological Sciences and Physical Sciences
- M.Sc. in Biotechnology, Biochemistry, Microbiology, Physics, Mathematics & Advanced Organic Chemistry
- Ph.D. in Biological, Chemical, Mathematical and Physical Sciences

A number of sponsored projects by DST, DBT, BRNS, UGC, GUGCOST, etc. are being undertaken at the institute by the faculties.

CHARUSAT

Charotar University of Science and Technology (CHARUSAT) is established with a vision to become a dynamic global institution through excellence in teaching, research and social contribution. It strives to transform the society through creation, augmentation, dissemination and perpetuation of knowledge. CHARUSAT is established under the Gujarat State Act No. 8 of 2009, Government of Gujarat and recognized by UGC to award degree under section 22 of UGC act 1956. CHARUSAT offers 72 programmes in Engineering, Pharmacy, Computer Application, Management, Applied Sciences, Nursing, Physiotherapy and Paramedical Sciences.

GUGCOST

Investing in Science: Investing in the Future! Gujarat Council on Science and Technology (GUGCOST) working under the aegis of the Department of Science & Technology, Government of Gujarat, is the nodal agency for the S&T promotion, awareness, education, research and development through its various programmes and outreach activities across the state for nurturing, disseminating and popularizing science to the grass root level.

16th March, 2018

A report on the SCIENCE મંથન-2018 held on 25th February, 2018 at the P D Patel Institute of Applied Science, Charotar University of Science & Technology (CHARUSAT), Changa-388 421, Dist. Anand, Gujarat.

Charotar University of Science & Technology (CHARUSAT) and Education times in association with Gujarat Council on Science & Technology (GUJCOST) had organized SCIENCE મંથન-2018 at P D Patel Institute of Applied Science (PDPIAS) on 25th February, 2018, which brought undergraduate and postgraduate students in the field of science from all over Gujarat under one roof. It was the 3rd event of the series, which has been organized to provides a continual platform for budding scientific minds to discuss their innovative concepts in a common platform. The theme of the program was *"Raising Scientific Temper"*. It is said that, "A mind that is curious to understand the 'whys' and 'hows' of life while accepting that all questions may not be fully answerable. The defining characteristics of a scientific mindset are curiosity, logical ability, objectivity, emphasis on empirical evidence, open-mindedness, ability to recognize self-limitation, and an interest in new developments". Hence the program was arranged for meaningful brain storming among young students across colleges and institutes of Gujarat. Various events in the program was planned for Undergraduate and Postgraduate students pursuing courses in the subjects of Biological, Chemical Physical and Mathematical Sciences and other science inquirers. Exciting events in the programs include intercollege competitions such as:

- Poster Presentation
- 3D/Working Model
- Scientific Photography/Collage making
- Public speaking for Science

First of its kind, to encourage and recognize the student's enthusiastic participation, we have introduced an exciting reward as "Science Ambassador of the Day" for UG College/Institute with maximum over all participation.

Before the inauguration registration of the participants began at 8:30 am. The Workshop started with a very brief inaugural program. The proceedings were initiated by Dr. AditiBuch, organizing committee member of the program by inviting all the guests on the dais and welcomed all the participants.

Professor R V Upadhyay, Principal, PD Patel Institute of Applied Sciences and Dean, Faculty of Applied Science, delivered his welcome address. In his address he welcomed all participants including the Chief guest and other dignitaries on the dais, teachers and students from nearby colleges as well as the in-house students and teachers to have a fruitful deliberation and interaction through various events in the day long program. He underlined the importance of organizing these kinds of program with congregation of young scientific minds where they can interact with the fellow students of nearby colleges to share their views. He also presented briefly glimpse of the CHARUSAT and PD Patel Institute of Applied Sciences and its functioning. Dr C K Sumesh, SCIENCE મંથન-2018 presented the theme of the program. He has given the highlight of the program and appealed for an enthusiastic participation. Prof. Dr. Kannan Srinivasan, Sr. Principal Scientist, CSIR-Central Salt and Marine Chemicals Research Institute, Bhavnagar and Professor, Academy of Scientific & Innovative Research (AcSIR), India was the Chief Guest at the program. He formally inaugurated the Workshop along with Dr M.C Patel, Secretary Matrusanstha, KelavaniMandal and CHARUSAT, Shri. Naginbhai M. Patel, PRESIDENT, MATRUSANSTHA, Prof B G Patel, Provost, CHARUSAT and Dr. S P Kosta, Advisor, Charusat. In his inaugural address, Dr. Kannan Srinivasan lauded organizing this kind of a program open up quality scientific output from the young generation of student scientists. He inspired the undergraduate students to take maximum advantage of such programs for Science Update and various technological advancements. Dr M.C Patel, Secretary Matrusanstha, KelavaniMandal and CHARUSAT Healthcare and Research Foundation blessed the students with his inspiring words and wished his best for the program. In his presidential address Prof B G Patel, Provost, CHARUSAT emphasized the need of science graduates in the coming years to come and appealed the young audience to accomplish

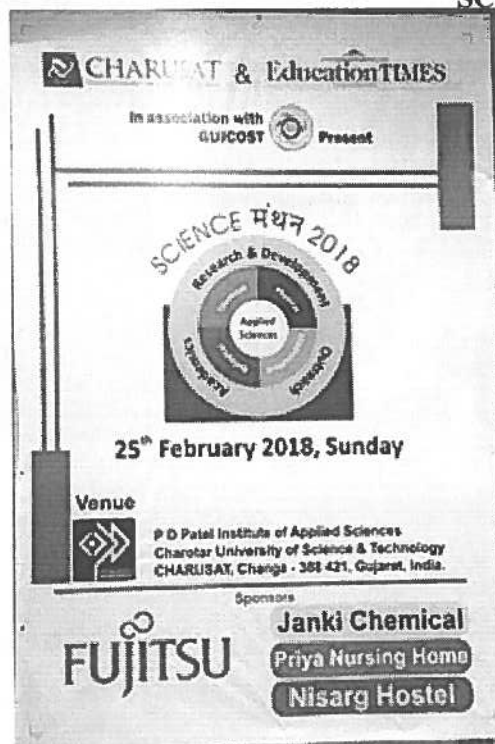

inaugural session was formally concluded by Dr Abhishek Dadhania, Member, organizing committee by proposing the vote of thanks.

The post inaugural Session was then open for scientific activities. Various events include Public speaking for Science, poster presentation, model presentation were presented by the students from various collages. The event saw the participation of 1072 including students and teachers from various colleges and institutions across Gujarat. The category of working model, poster presentation and public speaking for science saw enormous participation from students. The students were showing enthusiasm in explaining their ideas in such a way that generates interest in the audience to know more about their work. Scientific photography found interesting and variant event among participants. The faculties accompanied by the students from various collages were deputed as judges for all the events.

In the concluding session, Prof. R V Upadhyay reviewed the feedback of the student participants. Students showed their satisfaction in their participation, successful organization of various events and their knowledge gain. More than 100 participants were declared as winners in different categories. Certificate of merit and token prize was given to each winners. All the participants were given the participation certificates. The "Science Ambassador of the Day" award was given to K K Shah Jarodwala Maninnagar Sceicne College, Ahemadabad with an exciting number of participants around 55. The second runner up in the same category was awarded to St. Xavier College, Ahemedabad with an overall participation of 50.

By and large, we have observed the participation with enthusiasm by the students and program was a great success.

Every year **World Sight Day** is celebrated on the second Thursday of October, to focus global attention on blindness and vision impairment. .

Global Mission of International Agency for the Prevention of Blindness is " A World in which nobody is needlessly visually impaired, where those with unavoidable vision loss can achieve their full potential and where there is universal access to comprehensive eye care services."

We ,at CHARUSAT hospital and the Department of Optometry, CIPS are working on the above global mission...

To commemorate WORLD SIGHT DAY 2017 , CHARUSAT Hospital and Charotar Institute of Paramedical Sciences(CIPS) have come forward to spread the message to save the sight of professionals, students who are avid users of digital gadgets by organizing Seminar along with talk involving well known Professional Optometrist Dr. Jyoti Dave-Singh tomorrow on 12 October 2017 at CHARUSAT campus.

TOPIC: Digital Eye Stress & Galloping Myopia (near sightedness)

VENUE: Ambalal I Patel Auditorium, CMPICA,

A REPORT ON WORLD SIGHT DAY CELEBRATION
12TH OCTOBER, 2017

Theme of the seminar was “Digital Eye strain & Galloping myopia”.

Every year World Sight Day is celebrated on the second Thursday of October, to focus global attention on blindness and vision impairment. This year CIPS and CHRF decided to celebrate World sight day on 12th Oct 2017 keeping the same goal in mind.

The central theme of the event was to spread the awareness in youth about Digital eye strain and progressively increased risk of getting Myopia. All the students and staffs from each constituent institution of Charusat and CHRF were invited to attend the expert talk.

Event started with Prayer and then gathering was addressed by Dr. Uma Patel (COO CHRF). She very nicely explained importance of World sight day and initiated the event.

Master of ceremony Optom. Jaydevsinh Pargara introduced our first speaker, Optom. Jyoti Dave Singh (Managing trustee Jyoticare Benevolent Foundation). She is Contact lens practitioner in India as well as UK. She gave talk on “*Galloping Myopia*”. She Enlightened the gathering about increased prevalence of Myopia among youth. The statistics about myopia were eye opening and everyone realized why it is considered as a global issue.

Following to that Optom.Yogesh Vaghela Assistant Professor, Dept. of Optometry, CIPS gave a very insightful talk on **"Digital eye strain"** He very nicely explained sources of Digital eye strain and how to alleviate symptoms related to that.

After the talk there was a Panel discussion comprising Experts from the field of Optometry and Ophthalmology. The main aim of the panel discussion was to answer the questions and eradicate any myths related to eye health. There were many questions from audience and all were satisfactorily addressed by Experts from panel.

Once Panel discussion was over Optom.Jaydevsinh Pargara Shared heart touching poem **"Prabhu Tamaro khub khub abhar"** Written by II sem B.optometry student Nisarg Pandya. All were moved by his words.

Event concluded with very informative video on **"Prevention of Avoidable blindness"**

Event Report

Our International Radiology day event was organized on 8th November 2017. The event was planned with a theme “Radiation awareness: we care for you” to create awareness and knowledge among students and public about the effects of radiation. This event basically aimed to aware students and general public about the measures and precautions required to avoid unnecessary exposure to radiation while working or visiting Radiology department such as X ray, CT scan, Mammography, Ultrasound etc. The event was organized by the Department of Medical Imaging and Radiology Technology, Charotar Institute of Paramedical Sciences (CIPS), Charotar University of Science and Technology (CHARUSAT).

The event enclosed:

1. Guest speaker talk on CT and MRI safety in Radiology department by Dr. (prof.) Deepak V Mehta, Dept. of Radio Diagnosis, Karamsad Medical College.
2. Poster presentation on Personal Radiation Dosimetry, Precautions to be followed for Female patients during their clinical visits to radiology department by MRIT 3rd semester students.
3. Radiation awareness symbol presentation by MRIT 1st semester students.
4. Radiation awareness template preparation and distribution by Ms. Dolly Sharma, Assistant professor, MRIT Dept., CIPS. More than 100 participants including staffs and students have participated in this program.

A Report on Three days workshop on Cell and Molecular Biology
At Akanksha Hospital, Anand
From 8th-10th March 2018

A workshop was organized by Akanksha Hospital & Research Institute from 8th march 2018 – 10th march 2018 which was attended by students of Department of Medical Laboratory Technology along with two faculty of Charotar Institute of Paramedical Science (CIPS), a constitute of CHARUSAT. The workshop was on “Cell and Molecular Biology” including “Embryology & Molecular Laboratory Techniques” for students to learn and have hands on trainings for the diagnostic techniques. The workshop basically aimed to teach students the basic technical aspects of molecular diagnostics and also how to deal with cell culturing. We were guided by Mr. Piyush Chudasama, molecular biologist and Khyati Patel, research assistant for the same.

The workshop summary:

1. The three day workshop was planned from 10:00 am - 4:00pm at Akanksha hospital.
2. First day the students were given lectures on cell and molecular biology where various techniques like PCR and next generation sequencing was explained in detail. Next class was on cell culturing technique where they taught us the different clinical aspects of culturing. Post lunch session included visits to various labs of the diagnostics like sequencing, embryology and culturing.
3. Second day the students were divided in two groups batch 1 & 2. Batch 1 were given hands on training for molecular technique DNA Isolation and RT-PCR where they tested tissues for Endometrial Tuberculosis while students of batch 2 were given a demo of cell culturing and monocyte isolation.
4. Last day batches were switched and the same techniques were taught.
5. At the end of workshop students were given certificate for the same signed by Dr. Naina as well as Dr Harsha and Mr. Piyush.

About Avalanche

Ramanbhai Patel College of Pharmacy started its journey into Techfest and forayed with 'Avalanche '07', a first of its kind state level pharma event. It was a brainchild of the first batch of RPCP students. Some prominent personalities from the pharmaceutical industry like Prof. C. J. Shishoo - Director, B.V. Patel Pharmaceutical Education and Research Development (PERD) Centre, Mr. Bhavesh Patel - Managing Director, Marck Biosciences Ltd., and others made a notable contribution in success of Avalanche'07. Experts from pharmaceutical industry blessed and helped to make Avalanche a grand beginning to what was to follow. It served as a quintessential example for the other colleges in the state and the country across the nation. The first souvenir – 'Resurgence' was published as an effort to make this event more memorable and happening. After the overwhelming response received from participants, RPCP continued its tradition of organizing AVALANCHE in the year 2010,2012,2014,2016 also. This time the National Level Pharma Carnival, 'Avalanche' was organized in the beginning of 2018 on 15th and 16th of February with more innovations and value additions than earlier. Taking inspiration from the past, our team worked with zeal to match the high standards already set for us. An Avalanche is a rapid flow of snow down a sloping surface. When it starts its inevitable! Just like what we hoped to serve everyone with - Inevitable flow of fun and knowledge. Various technical and non-technical events had been incorporated in Avalanche '18 which helped the participants to get a much required edge and enjoy themselves to the fullest in a healthy competition. By organizing AVALANCHE'18 we wanted to encourage every pharmacist in making to not forget to have fun and also apply their knowledge out of their routine academics. The grand success of Avalanche '18 created a massive impact on the fellow students, colleges and entire pharmaceutical industry.

Avalanche'18 Summary

We the family of Ramanbhai Patel College of Pharmacy organized a Pharma Tech Fest 'Avalanche '18' on 15th-16th February 2018.

A splendid cultural night 'The Colosseum' was organized on the night of 15th February with the talented RPCP students performing on the big platform. The students danced, Sang, organized a fabulous Fashion show and played musical instruments thereby entertaining the delegates and the chief guests to the maximum.

This year we had an overwhelming response of over **394 students over 550 registrations from the top 21 Pharmacy Colleges have participated** in this two day carnival.

Finance management is the most important aspect in organizing any major event. Avalanche has been organized with the support of Charotar University of Science & Technology and our sponsors which have been around 21 sponsoring us for various means. The students managed to rope in about 21 companies to give their financial support generating a whopping sum of one lac forty four thousand five hundreds rupees (1.44 lacs).

We also presented winner and runner up trophies along with certificates in all the individual sections of the events. This rounded up to 25 trophies in all. Mementos were also presented with certificates to all the invited 15 judges coming from various pharmacy colleges, industries and from the Campus Institute Participation certificates were given to all the students participating in the event. Certificate of appreciation was given to all event coordinators for their relentless input in the making of the event.

Dr. J B Dave, Professor & Director - PG Department, Shree Sarvajani Pharmacy College, blessed the event with his presence as the Chief Guest in the inauguration function of the event on 15th February, 2018.

Mr. Padmin Buch , Former Managing Director, GITCO Ltd. served as the chief guest in the valedictory function on 16th February, 2018 and also blessed students with his motivational and inspirational words.

All in all, 'Avalanche '18' turned out to be a grand success and RPCP will look forward to proceed with the trend and organize such events in the future.

Event biography

On 15th of February the day started with high-spirits and it started with an enthralling inaugural ceremony which began at 10:00 am. The chief guest was **Dr. J. B. Dave, Founder Partner Apostle Remedies and Director-Shree Sarvajanic Pharmacy College**. Other dignitaries Dr. B. G. Patel-Provost, CHARUSAT, Dr. M. C. Patel-Secretary-Shri Charotar Moti Sattavis Patidar Kelavani Mandal, Dr. Anuradha Gajjar-Principal, RPCP. Amongst the invited guests were, Dr. Devang Joshi-Registrar, CHARUSAT, Ms. Madhuben Patel as well as HODs & Principal of Campus institute of CHARUSAT and other members of CHARUSAT Family were present.

The chief guest addressed the august gathering and filled the audience with immense motivation through his ideas and knowledge. The students were delighted to hear such a great personality. Dr. B. G. Patel sir shared an excerpt with the audience from his vast sea of knowledge. Dr. Anuradha Gajjar wished all the students good luck and the ceremony ended by vote of thanks presented by Parth Joshi, Final year RPCP student.

Sketch It:

Painting is a silent poetry, and a poetry is a painting that speaks. A true artist is not one who inspired but one who inspires others for that we B.Pharm student committee members organized sketch it event on Thursday, 15th February during the avalanche 2018.

The event was organized under the guidance of Mrs. Kanan Gamit and Mrs. Mansi Paradkar & Kripa Jadeja , Pooja Gori, Krishna Patel, Jeel Chauhan as students coordinators. The fascinating topic for this event was **"GLOBAL PERSPECTIVE OF PHARMACY EDUCATION AND RESEARCH "**. The event was organized in the 1st floor corridor a total of 87 participants coming from more than 5 different colleges participated in this event. Art isn't only a painting. Art is anything that creative, passionate and personal and great art resonates with viewer not only with creator so for that Our chief guest **Dr. Jayant Dave** and judge **Mrs. Arpita Patel** appreciated the budding artist.

The first position was secured by Heer Brahmhatt and Janvi Patel of ARIP College and second position was backed by Urmit Patel and Hinal Patel of RPCP. With the so many efforts and a hardwork of a faculty coordinators and student committee members the event was organized with a huge success.

Quest for the Best:

This was the next event in the list. There were a total of 16 teams participating, out of which 6 teams were selected after the knockout round. There were various round conducted such as Buzzer round,Rapid fire, and Audio-Visual round.The participants were bombarded with all types of questions from a variety of fields like politics, history, india, sports and many more. The student coordinators were Parth Joshi, Piyush Patil, Gopi Gojariya and Tatvee Mendha .The faculty coordinators were Mr.Dharmang Pandya and Ms.Mansi Paradkar. The invited judge was Dr.Dhruv Dave, ARIP,CHARUSAT. The event served as an ocean of knowledge and wisdom to all the spectators. The first position was secured by Nilay dave and Preksha from KBIPER, and the second position was secured by Harshil Mavawala and Stavan Pathak of MALIBA COLLEGE OF PHARMACY.

Stride For Life:

With advancing pharmaceutical industries demanding academic and applicative knowledge a major emphasis is made by the Human resources department in recruiting an employer by a company. The process of hiring has been invariably the same with minor modifications on the eligibility criteria and the different rounds. Industries hire a HR consultant or through their own employees do the recruitment process. To be acquainted with the methodology a mock interview (Event: Stride for life) was organized at Ramanbhai Patel College of Pharmacy, CHARUSAT in Avalanche'18 a pharma carnival where we cherish the talent of the candidates in order to make them industry ready students.

Stride for life was divided into three rounds- Aptitude test, Group discussion, Personal interview. 36 participants from RPCP, MPCP, LMCP, APC and ARCP and from other colleges were present. It was organised under the flagship of Dr. Samir Patel and Dr. Manan Raval as Faculty Coordinators and Rahul Lawani, Rashmi Hemani, Keya Patel and Parita Shah serving as student coordinators. A healthy competition was observed. Aptitude test included all type of questions like logical reasoning, verbal reasoning, number puzzles and other. Followed by a group discussion where they divided on the basis of seniority as final year and M.Pharm participants in one group and the remaining two groups were mix of first, second and third year B.Pharm.

The judge for the group discussion was DR. Kamal Chakrabartty- head of Human Resource Development Centre at CHARUSAT. Before beginning the group sessions participants were acknowledged with the importance of group discussion as to how and why it plays an important role in any recruitment process. For the final round, a total of the aptitude and scores of group discussion were added and the top 10 participants were called in. Aboli Girme – a QA manager at Pharmeda Herbals, Dharmaj were invited to be the judge. The final round saw participation were someone wanted to establish a new drug and others interested in marketing field. Like interests ranging from all the fields was seen. Basing on the scores, two awards were to given- winner and the runner's up. The winner of the event was Niyati Shelat from ARCP and the runner's up Vishwa Rawal from Maliba Pharmacy College.

"Life isn't a matter of milestones, but of great moments, these moments are born from great opportunities and give us happiness that takes us by surprise. It is not that we seize them, but that they seize us." This was a two day long event and was held in the premises of our college. As Helen Keller said "Life is either a daring adventure or nothing at all", believing the same the event was organized joyfully under the expertise of Dr. Niraj Vyas and Dr. Nilay Solanki as faculty coordinators and the fervent team of six student coordinators, Sharon Samkutty, Varun Chavda, Rachit Trivedi, Bhaskar Paliwal, Raxit Bharadiya and Kenny Khatri.

The event was judged by a very blissful and blithe personality Mrs. Priyanka Shah who took out time from her busy schedule and gave her valuable time for the event proceedings. The stage was set, the hopefuls were ready and the day dawned – bright and fresh reflecting the spirits of the participants, the event was executed in four rounds of which Vartalaap Round, Hunar ka Pradashan Round and Mad- Ads Round were held on the first day i.e. on 15th and the Fourth round - the Ultimate Challenge Round took place on 16th. A total of 7 teams participated in this event and everyone was startled to see the amount of talent and the dauntless attitude of each team. Whether it was informal debate round where each team spoke vehemently on the issue and came up with their perspective regarding the same by giving suitable examples from real life, to justify their stand or the talent and dare round where they didn't fail to surprise by giving exuberant performances. Day one ended with high spirits and then it was the final day where each team had to prove that how physically and mentally they were strong by crossing all the hurdles tactfully. During the valedictory function position holders of the event were announced where first position was secured by the team from MALIBA COLLEGE OF PHARMACY that includes

Pawan Dhomeja, Harshil Mavawala, Nishi Panchal and the second position was backed by RPCP team consisting of Harsh Kakkad, Vatsal Patel and Jenil Panchali. By the end of the day two all the participants were really delighted and overwhelmed by the arrangements and conveyed thanks to the management for their timely advice and cooperation for organizing successful Fest.

Pharmapreneur:

The entrepreneurial motivation is one of the most important factors which accelerate the pace of economic development by bringing the people to undertake risk bearing activities. The need of the hour, therefore, is to make Entrepreneurship Development more effective by imparting relevant education, focusing on developing entrepreneurial competencies, skills in identifying a viable business opportunity and preparing business plan, knowledge on how to mobilize resources and manage an enterprise. This time RPCP took the initiative and organized PHARMAPRENEUR to promote the culture of entrepreneurship among students. About 15 teams participated in this event. It was organized under the worthy guidance of Dr. Rasmin Patel, Dr. Amit Patel & Dr. Sandeep Patel as faculty coordinators and Karan Patel, Srushti Sheth Dhruvil Patel and Jahanvi Patel as student's coordinator and it was judged by the esteem personality Dr. Govind Dave

COLLOSEUM 2018

Dazzling lights, shimmering costumes and an array of oozing talent filled the atmosphere on evening of Day 1, during the Colosseum 2108-Avalanche'18 Cultural Programme.

The event was organized enthusiastically by the M.Pharm students and coordinated with helping hands of a few B.Pharm students under the guidance of Dr. Amit Patel. Distinguished dignitaries like our principal mam Dr. Anuradha Gajjar Madam, registrar Devang Joshi sir, the compassionate faculty members, ambitious alumni and startled students graced the central lawn as audience. Everyone was surprised to see the amount of talent as the stage was set on fire with all sorts of diverse performances. Dance forms like the rajasthani ghoomar, lavani of Maharashtra and Bollywood grooves kept audience at their feet. They were taken into trance of music by bollywood, gujarati and even a rap song. A heartwarming play based on the theme of loving your mother was enacted by the students of B.Pharm 1st year. A daring talwar show by a 1st year B.Pharm student stopped heartbeats of everyone. The stage was converted into a ramp by two electrifying fashion shows. All in all 20 performances with the meticulous hardwork and dedication of coordinators and students the event was a huge success.

The faculty coordinators were Mrs. Jagruti Prajapati, Mrs. Avni Chokshi, and Dr. Niraj Vyas. The student coordinator team included Yash Patel, Harshal Shah, Bindu Yadav(M.Pharm) and Parthvi Bhatt(B.Pharm).
