### About Avalanche

Ramanbhai Patel College of Pharmacy started its journey into Techfest and forayed with 'Avalanche '07', a first of its kind state level pharma event. It was a brainchild of the first batch of RPCP students. Some prominent personalities from the pharmaceutical industry like Prof. C. J. Shishoo - Director, B.V. Patel Pharmaceutical Education and Research Development (PERD) Centre, Mr. Bhavesh Patel - Managing Director, Marck Biosciences Ltd., and others made a notable contribution in success of Avalanche'07. Experts from pharmaceutical industry blessed and helped to make Avalanche a grand beginning to what was to follow. It served as a quintessential example for the other colleges in the state and the country across the nation. The first souvenir – 'Resurgence' was published as an effort to make this event more memorable and happening. After the overwhelming response received from participants, RPCP continued its tradition of organizing AVALANCHE in the year 2010,2012,2014,2016 also. This time the National Level Pharma Carnival, 'Avalanche' was organized in the beginning of 2018 on 15th and 16th of February with more innovations and value additions than earlier. Taking inspiration from the past, our team worked with zeal to match the high standards already set for us. An Avalanche is a rapid flow of snow down a sloping surface. When it starts its inevitable! Just like what we hoped to serve everyone with - Inevitable flow of fun and knowledge. Various technical and non-technical events had been incorporated in Avalanche '18 which helped the participants to get a much required edge and enjoy themselves to the fullest in a healthy competition. By organizing AVALANCHE'18 we wanted to encourage every pharmacist in making to not forget to have fun and also apply their knowledge out of their routine academics. The grand success of Avalanche '18 created a massive impact on the fellow students, colleges and entire pharmaceutical industry.

### Sketch It:

Painting is a silent poetry, and a poetry is a painting that speaks. A true artist is not one who inspired but one who inspires others for that we B.Pharm student committee members organized sketch it event on Thursday, 15<sup>th</sup> February during the avalanche 2018.

The event was organized under the guidance of Mrs. Kanan Gamit and Mrs. Mansi Paradkar & Kripa Jadeja , Pooja Gori, Krishna Patel, Jeel Chauhan as students coordinators. The fascinating topic for this event was **"GLOBAL PERSPECTIVE OF PHARMACY EDUCATION AND RESEARCH "**. The event was organized in the 1<sup>st</sup> floor corridor a total of 87 participants coming from more than 5 different colleges participated in this event. Art isn't only a painting. Art is anything that creative, passionate and personal and great art resonates with viewer not only with creator so for that Our chief guest Dr. Jayant Dave and judge Mrs. Arpita Patel appreciated the budding artist.

The first position was secured by Heer Brahmhatt and Janvi Patel of ARIP College and second position was backed by Urmit Patel and Hinal Patel of RPCP. With the so many efforts and a hardwork of a faculty coordinators and student committee members the event was organized with a huge success.
