Dear Sir/Madam,

We have the pleasure of informing you that the previously organised two Workshops/Webinars organised by QASPIR, UK in academic Partnership with Association of Indian Universities on "How to Transact Curriculum through online" went very well. It received overwhelming response from faculty members of our universities. The demand was so high that we could not accommodate all the requests. Therefore, an additional workshop which will be a repeat of the previous two workshops has been scheduled to be held during April 15-17, 2020. In this regard, I am attaching a letter inviting participation from the faculty members. The brochure containing the details of the IIIrd Workshop along with letter is attached for your reference, which may please be given wide publicity. The Letter and the Brochure will also be uploaded in AIU Website shortly.

With regards,

Dr Amarendra Pani  
Joint Director & Head  
Research Division  
Association of Indian Universities

Dear Sir,

As the technical festival of the Institute will be going on during 14th September, students do not seem to be inclined to attend any other event. As M. Tech first year students are not involved in the Cognizance event, they can be asked to attend the event.

So I request you to please do the needful.
