**Orientation programme on quality
issues for teachers and students**

| Sr. No. | Title of Orientation Programme | Duration | Page No. |
|---------|--|--------------------------|----------|
| 1 | Expert talk on "Science and Spirituality" | 04-02-2017 to 04-02-2017 | 5-15 |
| 2 | Expert talk on "Equality and Discrimination" | 10-09-2016 to 10-09-2016 | 16-27 |
| 3 | Awareness about NPTEL courses | 23-01-2017 to 23-01-2017 | 28-31 |
| 4 | Awareness about NPTEL courses | 06-06-2017 to 06-06-2017 | 32-35 |
| 5 | Orientation on "Competitive exam for B.Sc. Graduates" | 23-11-2016 to 23-11-2016 | 36-43 |
| 6 | Talk of Mathematics and Statistics Research Group(Lie Algebra and Orthogonal Polynomials) | 11-03-2017 to 11-03-2017 | 44-50 |
| 7 | Talk of Mathematics and Statistics Research Group(An introduction to q-series) | 25-03-2017 to 25-03-2017 | |
| 8 | Talk of Mathematics and Statistics Research Group(Quantile Function and Reliability) | 01-04-2017 to 01-04-2017 | |
| 9 | Talk of Mathematics and Statistics Research Group(Solutions of Partial Differential Equations using Integral Transforms) | 22-04-2017 to 22-04-2017 | |
| 10 | Talk of Mathematics and Statistics Research Group(Fractal Dimension) | 09-05-2017 to 09-05-2017 | |
| 11 | Poster presentation on How to improve learning Capabilities in Slow Learner | 13-01-2018 to 13-01-2018 | 51-61 |
| 12 | OBE Mapping of QP | 26-06-2018 to 26-06-2018 | 62-65 |
| 13 | Expert talk on "Career Opportunities in Sports" | 27-01-2018 to 27-01-2018 | 66-75 |
| 14 | Talk of Mathematics and Statistics Research Group(Gamma Matrix Function and Its Properties) | 01-07-2017 to 01-07-2017 | 76-92 |
| 15 | Talk of Mathematics and Statistics Research Group(Report Presentation of Short term course attended by Faculty members) | 03-02-2018 to 03-02-2018 | |
| 16 | Talk of Mathematics and Statistics Research Group(Ferro Fluid Lubrication of Journal Bearing with viscosity variation) | 06-01-2018 to 06-01-2018 | |
| 17 | Talk of Mathematics and Statistics Research Group(Basic Concept in Fluid Dynamics) | 07-04-2018 to 07-04-2018 | |
| 18 | Talk of Mathematics and Statistics Research Group(The Absolute Convergence of Multiple Fourier series) | 08-07-2017 to 08-07-2017 | |
| 19 | Talk of Mathematics and Statistics Research Group(Fractional Calculus) | 10-03-2018 to 10-03-2018 | |

| 04/02/2017 | 10.00 am – 11.00 am | 1 hour | Expert Talk |

Summary of the Event:

Regular meditation helps in relieving stress and thus improves the quality of sleep. Less stress means more happiness. You will live a happier and healthier life with meditation.

It is believed that meditation improves the immune system and thereby helps in controlling blood pressure and lowering blood cholesterol.

To make aware connection between Spirituality & Science, CHAMOS Matrusantha Department of Mechanical Engineering and Samarpan Meditation Center, Anand jointly

organized an Expert talk on “Science & Spirituality” for the CHARUSAT teaching and nonteaching staff. Dr. Pradip Lalwani, Samarpan Meditation center, Rajkot delivered a talk.

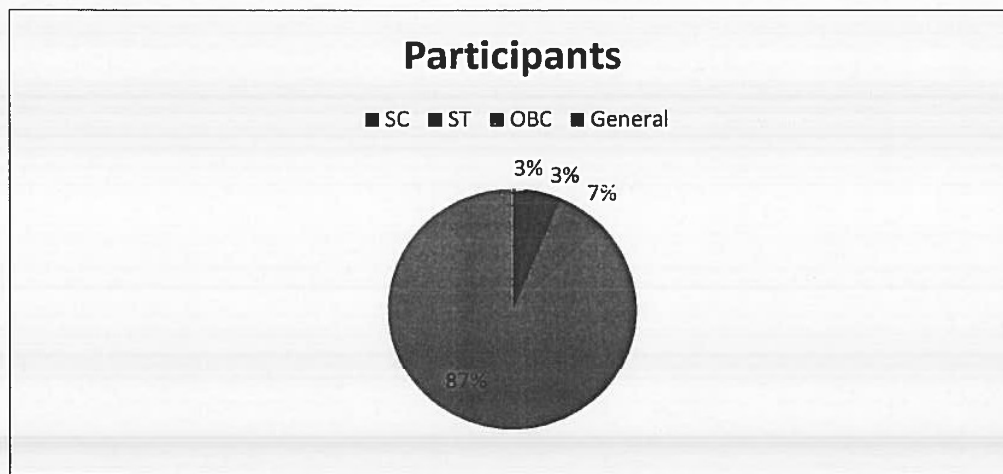

The key points of his talk were:

1. Metaphysics: Science to study beyond our physical body
2. Science of Bioenergy field : Human Energy Pattern
3. Human Biofield
4. Aura, Channels, Energy Centers, Kundalini
5. Cleaning of Aura: By joy of giving, By in contact with Panchmahabhut, By spending time with pets, spending time with peers, and from Living Sadguru.
6. Samarpan Meditation

He also taught the simple meditation technique at the end of his session.

Event Schedule:

| Date | Time | Session | Activity |
|------------|-------------------|--------------|-------------|
| 10/09/2016 | 1.30 pm – 3.00 pm | 1 and ½ hour | Expert Talk |

Summary of the Event:

The International Labour Organization (ILO) has reported that hundreds of millions of people suffer from discrimination in the world of work. This not only violates a most basic human right, but has wider social and economic consequences. Discrimination stifles opportunities, wasting the human talent needed for economic progress, and accentuates social tensions and inequalities.

Combating discrimination is an essential part of promoting decent work, and success on this front is felt well beyond the workplace. Thus the topic of the expert talk was focused on general Equality and discriminations.

Though the time allotted for the session was not enough to cover all types of discriminations, Dr. H.J. Jani sir nicely delivered their lecture and try to touch all the discrimination and equality act. The key points in the talk of Dr. Jani sir were:

Equality:

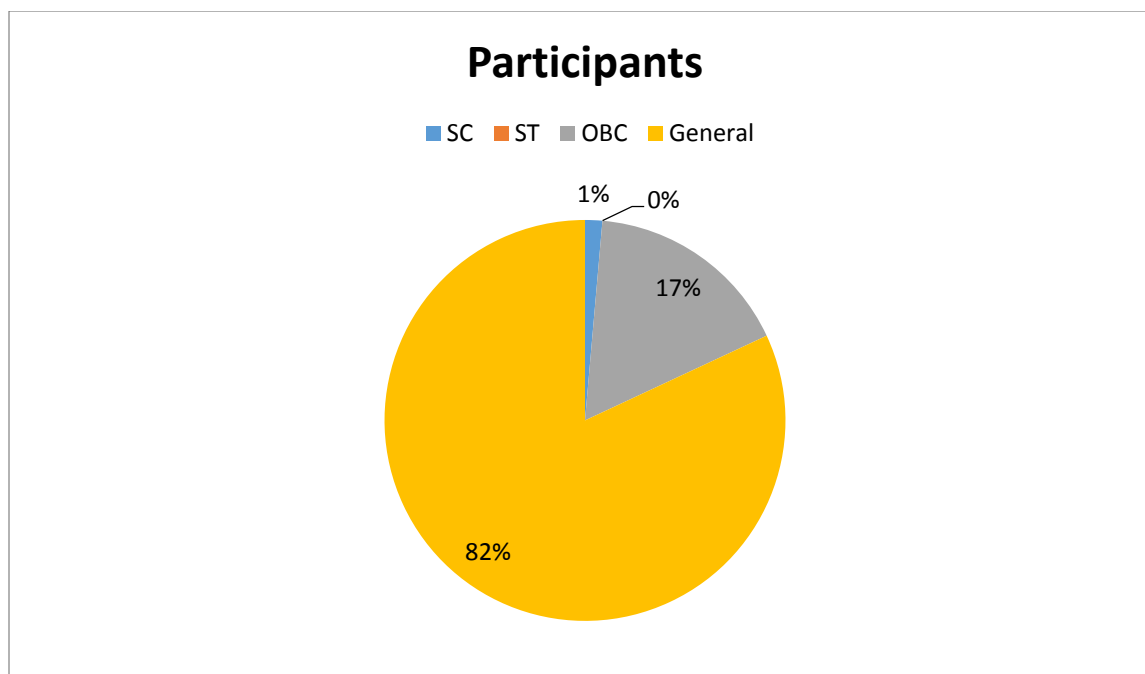

- Equality of opportunity
- Equality of outcome
- Equality of condition
- Patterns of inequality
- The Indian Constitution guarantees equality as 'Fundamental Rights' in Articles 14, 15 and 16 under Part III : Right to equality, Right to freedom, Right against exploitation, Right to freedom of religion, Cultural and Educational rights, Right to constitutional remedies, Right to education

Discrimination:

- Discrimination based on: Gender, Ethnicity, Nationality, Age, Caste, Origin, Income or Property, Language, Race, Disability, Civil status, Family status, Sexual orientation, Religion, Convictions, Opinions, or Health.
- The Universal Declaration of Human Rights
- The International Convention on the Elimination of All Forms of Racial Discrimination
- Convention on the Elimination of All Forms of Discrimination against Women
- The Convention on the Rights of Persons with Disabilities
- Anti-Discrimination acts

A Report on SWAYAM-NPTEL MOOC Course

- NPTEL has been offering self-study courses across engineering, humanities and science streams for more than a decade. We encourage our students to take the maximum benefits of the courses offered by NPTEL. It is mandatory for all the students to enroll for at least 2 NPTEL courses per semester.
- Faculty member of a college can be the mentor for a maximum of 2 courses - one mentor for every 50 to 60 students. It is mandatory that the mentor be enrolled to the course which he/she is mentoring. Mentors can check the performance of all the Mentees and encourage them to submit the assignment regularly and also help the Mentees to solve their doubts. Mentor will be recognized with certificates and recognition on the portal depending on the performance of the students he/she mentored.
- NPTEL enrolled students can select the Mentor for the Specific Courses as below:

Log into course page with the candidate login details

Student should select the "Mentor" Option in the top right corner

- Faculty Mentors can check Mentee list as below:

Dear Students,

Regarding Mentor Selection:

You all are requested to select the Mentor from your course. The updated Mentor List is now active and you can select the mentor from the drop down list of Upper right corner of your course page.

Regarding Exam registration:

All of you are requested to register for the exam as the deadline is near by. please note down following things:

-> You need to select "**Individual/Direct**" Payment option while registration [Not Via SPOC/Local Chapter]

-> Even if you have applied for the scholarship, You will have to pay full fees at the time of registration. after completion of the exam, NPTEL will refund the amount in your bank account.

NPTEL Coordinator is requested to pass this message to all students.

| 23/11/2016 | 3.15- 4.30 | one | Expert lecture |

Summary of the Event (Maximum 200 words):

Dr. Thakker, introduced the speaker to the participants.

Dr. Kajal briefed students about various competitive exams like Combined

biotechnology entrance exam (CBEE), Central Defense services entrance exam CDSE (for IMA, Naval, Airforce), JAM etc which can be given by B.Sc. Students of Biological Sciences and Nursing. He also discussed various career options with students after B.Sc. He explained the importance of B.Sc. and how a B.Sc. graduate can contribute to society. He narrated many short stories to motivate students. Few questions were raised by students and Dr. Janki, which were answered by Dr. Kajal.

Dr. Kajal shared his email address and contact number for the students who wished to get more guidance

At the end Dr. Thakker thanked Dr. Kajal and students filled the feedback forms. After analysis of feedback forms, it indicated that

- Communications skills and knowledge was very good
- Most of the students found that everything in the talk was important
- Few students suggested that in future talks, we can include scope in foreign countries
- Most of the students found the talk to be very good and few of them found the talk to be excellent.

Respected Sirs/Mam,

A very Good Afternoon.

Department of Mathematics has initiated "Mathematics and Statistics Research Group".

The Activities of Group:

- (a) Information about Research done in Department.
- (b) Seminars and Conferences hosted by Department.
- (c) Information on Faculty Research Interest.
- (d) Weekly Talk.

At the initial stage, Department of Mathematics announces Weekly Talk:

The Speaker:

Mr Krunal Kachhia

Topic: **Lie Algebra and Orthogonal Polynomials**

Date: 11/03/2017

Time: 3:20 p.m. onwards

Venue: Department of Mathematics, PDPIAS,

Interested members may join the discussion.

Event Schedule:

| Date | Time | Session | Activity |
|------------|-----------------------|--------------|---------------------|
| 13/01/2018 | 09.30 am – 12.00 noon | 2 and ½ hour | Poster presentation |

Summary of the Event:

Many modern parents begin to worry if their child is slow at learning. To start with, parents and teachers need to refrain from negative comments such as labeling the child as ‘dumb’, ‘loser’, or any such absurd monikers. Children are super-sensitive and they depend on feedbacks from grownups to set their little lives in order. Your negativity further affects the child’s learning process as he begins to believe in his inability to learn.

Slow learner: Slow learners are children taking a little more time than others do to grasp a concept. A child who takes more time and focus to think than others his age is said to be a slow learner. This child will hit the basic developmental stages just like his peers, but at a significantly slower rate. Nevertheless, this development will be relatively even.

To identify the slow learner in the group of students is an important task before to think how to deal with them.

To explore the various methods to identify and deal with the slow learner CHAMOS Matrusanstha Department of Mechanical Engineering has organized a Poster presentation event under the aegis of Equal Opportunity Cell on “ **How to improve learning capabilities in slow learner**” for the teaching faculties of CHARUSAT. Total 16 posters with 24 participants from different institutes had taken active participation in this event. Chief guest Dr. A.D. Patel Principal CSPIT, Dr. Vijay Chaudhary HOD, Mechanical Engineering Department, Dr. Vijay Panchal Convener EOC was present for the Inaugural Function. Dr. A.D. Patel sir appreciated the participants and also insists that to apply the ideas mentioned in the posters to the students. The participants' mentions main points in their posters are as below:

Symptoms in Slow Learner:

Slow reaction time, Lack of confidence, poor memory, and inability to express ideas, local point of view, less concentration, consistently getting poor grade in tests, lack of interest, unable to communicate, avoiding eye contact, lose track of time.

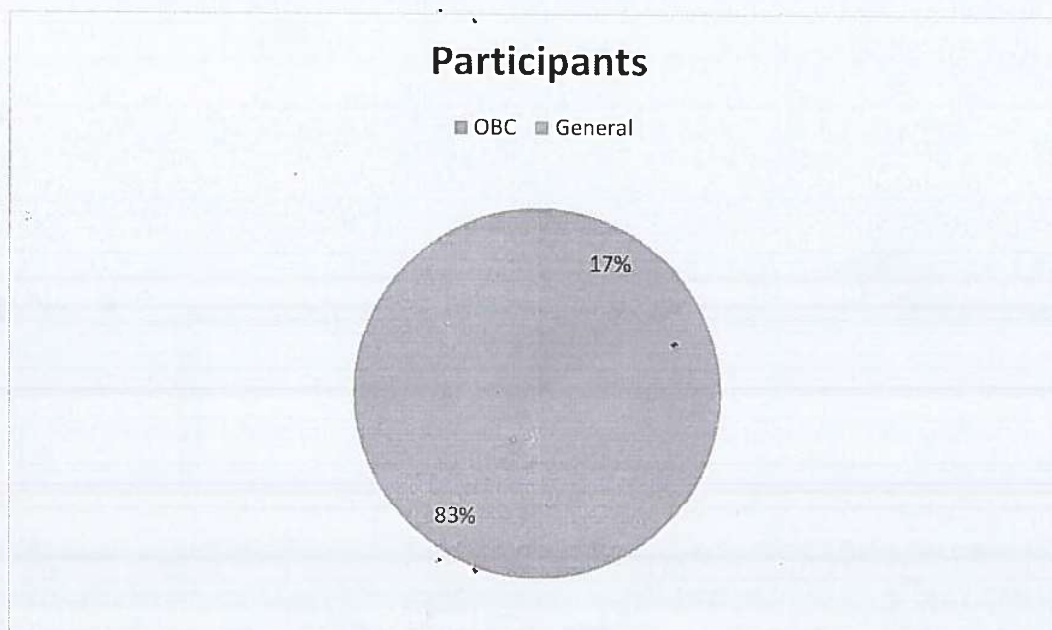

How to deal with Slow Learner to improve their learning capabilities:

Personal attention, development of self-confidence, flexibility in curriculum, treat with empathy, Audio visual aids, create free environment to learn without fear, guidance from peers, change seating, reduce distraction, assign small task, one to one interaction, restructure expectations, arrange remedial classes, give time to react on the task, use more images instead words, teach with real life examples to increase curiosity, teach with appropriated games, encourage for small achievement also, give chance to everyone to answer, meditation, continuous feedback, spend sufficient time with them, group discussion, give sufficient break time while teaching, initially use their familiar language for teaching, focus on oral communication first instead written communication, allow to express his view without any threatening, create healthy

relations with students and friendly learning class atmosphere, sometime use ice-breaker, have fun with some interval time of teaching, reward the students.

Report on Mapping of Question Paper with CO and Bloom's taxonomy under OBE

Date: 26-06-2018

- Department of Information Technology has practiced the Quality Assessment of Questions of External Exam as per the directive and guidance from Head of the Department Pro. Parth Shah under OBE Activity.
- As per the guideline from Prof. Parth shah and OBE committee, Following activities have been performed by the faculties of the department:
 - Mapping of Questions with CO and Bloom's Taxonomy.
 - Preparation of CO-Attainment Matrix.
 - Distribution of marks for theory examinations (in %) as per bloom's taxonomy.
- All the department faculty prepared and submitted the OBE Mapping of Question Paper to Departmental OBE committee member Prof. Purvi Prajapati.
- Hence the process of OBE Mapping of Question Paper with Cos has been initiated and sample of prepared mapping is as follow:

Event Report

Name of Department : PDPIAS
Name of Event : Career opportunities in sports
Date and Time of Event : 27th January, 2018, 9.30 to 10.30 AM
Event coordinator : Dr. Janki N. Thakker
Resource person details:

| Sr. No. | Name of the resource person | Organization of resource person |
|---------|-----------------------------|---|
| 1 | Dr. Y L Jethwa | Assistant professor, Swarnim Gujarat Sports University |

Event Schedule:

| Date | Time | Session | Activity |
|------------|---------------------|---------|----------------|
| 27/01/2018 | 9.30 to 10.30 AM | one | Expert lecture |

Summary of the Event :

Dr. Thakker, introduced the speaker to the participants.

Mr Jetwa is a graduate in English Literature and Psychology, he again did is bachelors and Masters in Physical Education, MPhil in Physical education, Ph.D. In Physical education (Adventure sports- focusing on Mountaineering)

Presently he is Assistant Professor in Swarnim Gujarat sports University and earlier he has worked for 3 years in MS University, Baroda

He is Associated with Swami Vivekanand Institute of Mountaineering, Abu as a mentor, coach and expert for Mountaineering since last 10 years

Mr. Y L Jethwa discussed various opportunities for students in sports

He gave very illustrative presentation where students can get opportunities in sports as coach, Player, cloth designing, officials, mentors, Journalist, Nutritionist, Finance, Psychology, Administrator, Manager, Scientist for analysis of results, conditioning coach, Physiotherapist, Statistician etc.

He also discussed about the background which is needed for above posts

He showed 3-4 videos of how analysis is done and how scientists are from various fields are involved?

He also depicted about the economic benefits of the sports field.

He informed that Sports industries is developing in India and is in infant stage so lot of scope for next 10-20 years exist for the sports personals in any of the above filed.

He also informed that at present lot of shortage is faced by schools, Universities, Sports association as we have very less trained personals in the field.

At the end questions were asked by students and Faculties of Nursing, Maths and Biological Sciences

Dr. Jethwa gave his phone number and email to students and asked students to contact him any time.

At the end I thank the speaker

Mr. Jani, Sports faculty, CHARUSAT helped in arranging for the speaker Total 76

students and 4 faculties attended the sessions

At the end students filled the feedback forms. After

analysis of feedback forms, it indicated that

- They found relevant to their needs to some extent and some of them found very releavent
- Students found content to be good
- Students also found the facilitator very entusisastic, with good communications skills, timely managed. Most of them found these qualities excellent
- Students rated the overall program very good

Registration fee (if any): NA No.

of Participants: 76+ 4= 80

List of Participants: Details as per entered in Registration form is submitted to EOC coordinator

Accounts details: Rs. 1000 for talk and 1500 for travel. Total Expense Rs. 2500 only

Overall impact of workshop: Very Good

Respected Sir/Madam,

As a part of activities of Mathematics and Statistics Research Group, the Departmental Seminar is scheduled as per following

Date: 03/02/2018

Time: 3:20 p.m. onwards

Speakers: Dr. Krunal Kachhia

Ms. Nikita Bhangale

Above colleagues have participated one week Short Term Course on Current Trends in Mathematics and Applications (STCCMA-2018) at NIT Kurukshetra during January 15, 2018 to January 20, 2018.

They will present about the academic discussions took place in the short term course.

Report of Mathematics and Statistics Research Group Activates (2017-18)

The Mathematics and Statistics Research Group has been created under the directions and guidance of Prof. Subhash J. Bhatt on 09/03/2017 to encourage the research activities of Department of Mathematical Sciences. The proposed activities of the group are

- Information about Research done in the Department.
- Seminars and Conferences hosted by the Department.
- Information on Faculty Research Interest.
- Scheduled Weekly Talk.
- Faculty event participation report presentation
- Other related activities

The Group has organized the scheduled regularly talk delivered by teaching members of the Department.

In academic year 2017-18, the following members have presented their talks

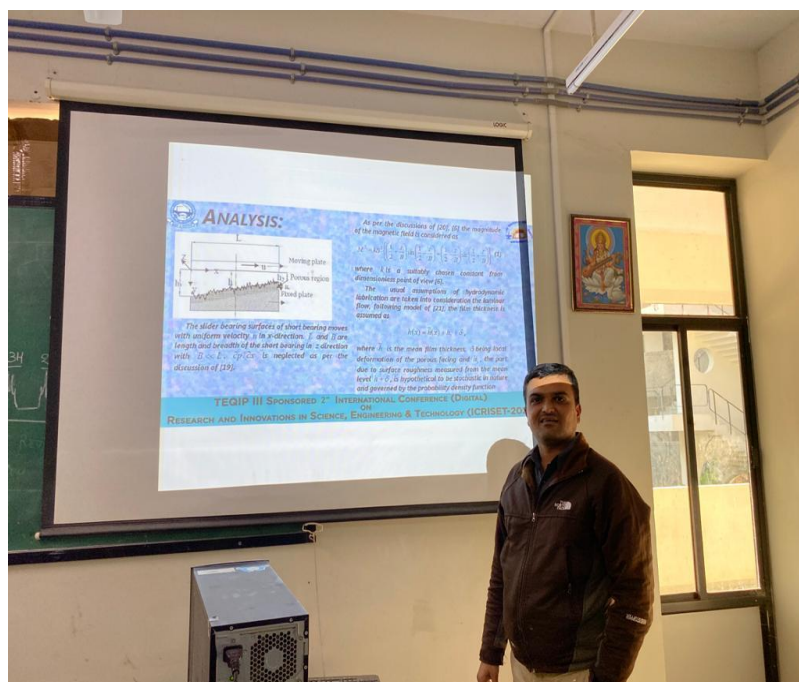

| Sr. No. | Title of Talk | Speaker | Date |
|---------|--|--|---------------------------------|
| (1) | Gamma Matrix Function and Its Properties | Mrs. Reshma Sanjhira | 1 st July, 2017 |
| (2) | Report Presentation of Short term course attended by Faculty members | Dr. Krunal Kachhia and Ms. Nikita Bhangale | 3 rd February, 2018 |
| (3) | Ferro Fluid Lubrication of Journal Bearing with viscosity variation | Dr. Jimit Patel | 6 th January, 2018 |
| (4) | Basic Concept in Fluid Dynamics | Mrs. Niru Patel | 7 th April, 2018 |
| (5) | The Absolute Convergence of Multiple Fourier series | Mr. Rajendra Chauhan | 8 th July, 2017 |
| (6) | Fractional Calculus | Ms. Nikita Bhangale | 10 th March, 2018 |
| (7) | Fractional Derivative and Development | Ms. Nikita Bhangale | 12 th August, 2017 |
| (8) | Report Presentation of Short term course attended by Faculty member | Dr. Jimit Patel | 14 th May, 2018 |
| (9) | A new class of special functions suggested by the generalized hypergeometric function and its q-analogue | Dr. Meera H. Chudasama | 17 th February, 2018 |
| (10) | A Flavour of Mittag-Leffler function in Fractional Calculus | Mr. Rajendra Chauhan | 14 th March, 2018 |
| (11) | Report Presentation of National Conference attended by Faculty member | Mr. Rajesh Savalia | 21 st April, 2018 |
| (12) | (i) Compact multipliers of $l^1(z^2, \max)$ (ii) The Nikodym metric of a measure space | Mr. Rakshit Upadhyay and Prof. S. J. Bhatt | 26 th August, 2017 |

| | | | |
|------|--|--|---------------------------------|
| (13) | Report Presentation of International Conference attended by Faculty member | Mr. Rajesh Savalia, Mrs. Reshma Sanjhira and Dr. Meera Chudasama | 13 th November, 2017 |

| 13/02/2019 | 09.30 am – 11.00 am | 1 and ½ hour | Poster presentation |

Summary of the Event (Maximum 200 words):

Day by Day here's a large pool of job seekers, and not enough positions to go around. As a result, employers can afford to be extremely picky. They're looking for qualified applicants who bring more to the table.

The aim of the event was:

- Participant can explore the major qualities any employer looking in new candidate while the selection process for their firm.
- How to prepare the poster and manage the given space effectively.
- Presentation skill

All CHARUSAT institutes students were eligible for the event. Fifteen minute time for each group was given for presentation. Dr. Mayur Sutaria inaugurated the event. Total 45 students

were participated in this event. Among 18 posters best 3 posters were selected for best student poster award.

As per the viewer's and Expert's opinions following posters were selected for Best student poster award:

- **Tanvi V. Hemani & Karan K. Doshi**
- **Harshkumar S. Dave**
- **Vishw Joshi**

According to the view of participants following are some effective ways to become more employable:

- Believe in yourself
- Educate Yourself: Update your resume regularly with recent skills.
- Soft skills : Good Communication Skills, strong work ethic, positive attitude, Problem-Solving Skills
- Be Flexible
- Get Social: you have to improve your online presence like upload your skills on your LinkedIn profile.
- Be proactive
- Adjust your Attitude

Summary of the Event (Maximum 200 words):

Event was primarily focusing on the short visit by the Owner (Mr. Chip Sciallo) and Senior Project Manager (Mr. Mike Patel) of Unicorn Group Contracting company operative in Georgia, U.S. They are visiting India with two purpose:

1. Opening an operative branch in Ahmedabad which would cater to Quantity Surveying needs of this company. This so called branch has already been established in Ahmedabad. Their long term plans as per their owner Mr. Chip is that they want to expand upon this recently opened branch by recruiting more Civil Engineers in future.
2. They wanted to visit CSPIT, CHARUSAT in order to confirm if we can cater to this need of their company. Another purpose of them visiting our premises seems to be that they wanted to have a feel of education that was being imparted in our institution. It is possible that they came here to check if CSPIT can become a source of Civil Engineers, should there be any need in future.

A Report on SWAYAM-NPTEL MOOC Course

- NPTEL has been offering self-study courses across engineering, humanities and science streams for more than a decade. We encourage our students to take the maximum benefits of the courses offered by NPTEL. It is mandatory for all the students to enroll for at least 2 NPTEL courses per semester.
- Faculty member of a college can be the mentor for a maximum of 2 courses - one mentor for every 50 to 60 students. It is mandatory that the mentor be enrolled to the course which he/she is mentoring. Mentors can check the performance of all the Mentees and encourage them to submit the assignment regularly and also help the Mentees to solve their doubts. Mentor will be recognized with certificates and recognition on the portal depending on the performance of the students he/she mentored.
- NPTEL enrolled students can select the Mentor for the Specific Courses as below:

Log into course page with the candidate login details

Student should select the "Mentor" Option in the top right corner

- Faculty Mentors can check Mentee list as below:

Mentee List

- We Encourage our students to enroll for the NPTEL Certification exam as certificate provided by the NPTEL will add values to their career path.
- Certification Criteria:**
Calculation of final score:
 - Consolidated score = 25% assignment score + 75% certification exam score
 - Assignment score = 25% of average of:
 - Best 3 out of 4 assignments in a 4-week course
 - Best 6 out of 8 assignments in an 8-week course
 - Best 8 out of 12 assignments in a 12-week course
- Certificates are provided for students who have a consolidated score of 40% and above.
- Following Schedule with guidelines were provided to the students and faculties through email and proof of the same is attached with this report.

Title:

How to face interview?

Expert:

Dr. Devang Joshi, Registrar, Charotar University of Science and Technology, Changa – 388 421

Date:

12th April 2019 and 16th April 2019

Time:

10:00 am to 1:00 pm

Brief report

The CDPC, Biological Sciences, PDPIAS organized expert sessions on the topic entitled, 'How to crack the campus interviews?' for MSc Biotechnology, Biochemistry and Microbiology Semester 4 students on April 13, 2019 and April 16, 2019. We are grateful to Dr. Devang Joshi, Registrar, CHARUSAT for sparing his valuable time and knowledge with the students. On April 12, 2019, Dr. Joshi explained the differences between CV, Resume and Biodata and their relative significance. He also nicely discussed how they can attract attentions the recruiters using their resume/ CV. He also pointed out certain mistakes which are committed by the candidates knowingly or unknowingly. On April 16, 2019, Dr. Joshi explained how to appear and face the personal interview. He convinced the students that the subject knowledge along with the approach, attitude, confidence and dressing style would make a huge impact during the interview. The students were also enlightened how to address some tricky questions during the interview. A Mock round of interview was also arranged among the students to clarify on various aspects. Overall, several doubts and relevant queries of the students were answered during the sessions. The students looked very much encouraged and motivated after the sessions.

We believe this will help them built brighter career.

Best wishes to the students

Respected Sir/Madam,

As a part of activities of Mathematics and Statistics Research Group, a talk is scheduled as per following:

Date: 02/08/2018 (Thursday)

Time: 3:20 p.m. onwards

Speakers: Mrs. Reshma Sanjhira

Mrs. Reshma Sanjhira has attended "National Conference on Mathematical Modeling, Applied Analysis and Computation" during 06, 08 July, 2018 at JECRC University, Jaipur. She presented a research paper entitled "A general matrix inverse series relation and associated polynomials" in the conference.

She will talk about the paper presented by her and talks given by other speakers in the conference.

Interested are invited to attend the same.

Report of Mathematics and Statistics Research Group Activities (2018-19)

The Mathematics and Statistics Research Group has been created under the directions and guidance of Prof. Subhash J. Bhatt on 09/03/2017 to encourage the research activities of Department of Mathematical Sciences. The proposed activities of the group are

- Information about Research done in the Department.
- Seminars and Conferences hosted by the Department.
- Information on Faculty Research Interest.
- Scheduled Weekly Talk.
- Faculty event participation report presentation
- Other related activities

The Group has organized the scheduled regularly talk delivered by teaching members of the Department.

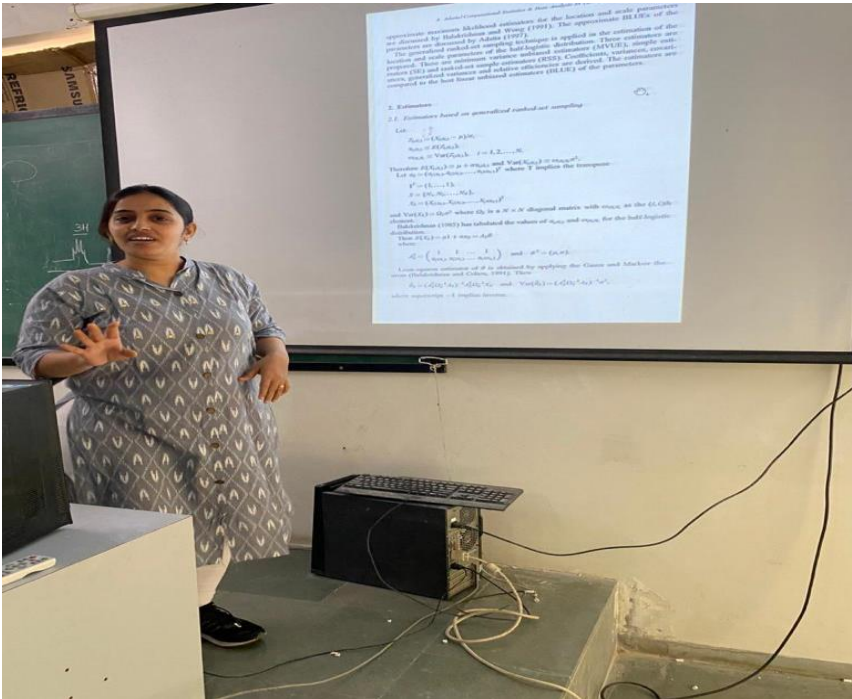

In academic year 2018-19, the following members have presented their talks

| Sr. No. | Title of Talk | Speaker | Date |
|---------|--|----------------------|--------------------------------|
| (1) | Derivation of generalized Reynolds Equation in Tribology | Mrs. Niru Patel | 1 st January, 2019 |
| (2) | Fractional Calculus approach to study Newton's law of cooling | Ms. Nikita Bhangale | 2 nd May, 2019 |
| (3) | Report Presentation of International Conference attended by Faculty member | Mrs. Reshma Sanjhira | 2 nd August, 2018 |
| (4) | Report Presentation of Instructional School attended by Faculty member | Mr. Pallav Shah | 7 th July, 2018 |
| (5) | A new iterative method to solve fractional differential equations | Ms. Nikita Bhangale | 11 th August, 2018 |
| (6) | An introduction to Multi-index Mittag-Leffler function | Mr. Rajendra Chauhan | 3 rd October, 2018 |
| (7) | Derivation of Generalized Reynolds equations of Tribology | Mrs. Niru Patel | 6 th December, 2018 |

Mathematics and Statistics Research Group (Members) (2018-19)

- (1) Prof. A. B. Patel
- (2) Mr. Vyomesh Nandurbarkar
- (3) Mrs. Reshma Sanjhira
- (4) Dr. Krunal Kachhia
- (4) Mrs. Niru Patel
- (5) Mr. Rajesh Savalia
- (6) Dr. Meera Chudasama

Event Report

Name of Department: PDPIAS

Name of Event : Role of skills in employability

Date and Time of Event : 5th March 2020, 10.15 to 12.15 pm

Event coordinator : Dr. Janki N. Thakker

Resource person details:

| Sr. No. | Name of the resource person | Organization of resource person |
|---------|-----------------------------|---|
| 1 | Dr. Anjali Bose | Assistant manager Strain Management Zytex Biotech PVt Ltd Vadodara |

Event Schedule:

| Date | Time | Session | Activity |
|------------|---------------------|---------|-------------|
| 05/03/2020 | 10.15 am – 12.15 pm | one | Expert Talk |

Summary of the Event :

Dr. Janki Thakker introduced Dr. Anjali Bose and her HR team to M.Sc. Sem IV and Sem II Biological Sciences students

Dr. Anjali has done her Ph.D. in Microbiology and Post doctorate from Hyderabad University in Plant pathology

She had 5 years of experience in industry and is also involved in placement at Zytex for Microbiology section

Dr. Anjali started about the general skills required for the students to get placed and what an employer look in the candidate.

She explained about the techniques to be known for good opportunities in research and industry

She told about the attitude to be inculcated by the students during their masters and in an industry

She discussed about the failures and success are the part and everything leads to development

After that they took the interview of the interested candidate as Dr. Thakker discussed earlier if they need the candidates and they agreed for Campus on the day of the talk

Dr. Anjali gave brief about the company and HR Mr. Rajeev explained what quality they look when they hire any candidate.

After exam and interview two students were Ms Meera from Micro and Ms. Shivani from Biotech were selected and offer letter was received on June 27th, 2020

After analysis of feedback forms, it indicated that

- They found relevant to their needs most extend and some of them found very relevant
- Students also found the facilitator very enthusiastic, with good communications skills, timely managed. Most of them found these qualities excellent
- Students rated the overall program excellent and were motivated

Lot of students were interested and motivated to opt of career in education sector

Summary of the Event :

Dr. Thakker, introduced the speaker to the participants.

Instead of Dr. KusumR.YadavPh,D. (Education) , Dr. Pratibha Dixit and Dr. Vinita Adwani from Faculty of Education took the sessions

Dr. Vinita has 15 years of teaching and research experience

Dr. Pratibha had 3 years of teaching experience

Dr. Pratibha started with introduction of topic and explained the importance of the career in education sector

She explained about the how a student can get admission in any BEd college and further do MEd.

What is the curriculum of Bed and Med? How it will help in developing teaching skills and overall personality?

What is the salary structure for Primary, secondary and Higher secondary teachers?

Dr. Vinita Adwani also further explained that after teaching for some years students can become Principal of the school and can be in direct decision making and help in development.

They also discussed that there is lot of demand of teachers as lot of schools are opening.

They explained that in last semester of Bed, they have internship in which students are placed in some school and they get stipend ranging from 10,000 to 25000. Stipend can cover fees of all semester and after that students get placed.

Students asked few questions which Dr. Adwani and Dr. Dixit addressed

Dr. Thakker gave memento to experts and thanked her for motivating students.

After analysis of feedback forms, it indicated that

- They found relevant to their needs most extend and some of them found very releavent
- Students also found the facilitator very enthusiastic, with good communications skills, timely managed. Most of them found these qualities excellent

Dear Colleagues,

Ms. Reshmaben attended a Short Term Course on “Numerical Methods and its Applications in Engineering” organized by Science & Humanities Department, LDRP-Institute of Technology and Research, Gandhinagar.

Mr. Vyomeshbhai attended a Faculty Development Programme on “ Statistical Tools and Techniques through SPSS ” organized by HRDC, Sardar Patel University, Vallabh Vidyanagar.

As a part of the activities of Mathematics and Statistics Research Group, they will present academic reports of the course/programme on February 17, 2020 at 03.20 p.m.

All faculty members are requested to make it convenient to attend the presentations.

Venue: Department of Mathematical Sciences, PDPIAS.

Thanks

According to me the advantage of online classes are that students who work after studying to make ends meet can do both the things. Because online classes can be attended anywhere. And it saves time as we don't have to travel.

NAAC awareness interaction

Report

The NAAC awareness interaction with faculty members of PDPIAS and KRADLE was organized for the purpose of raising awareness of NAAC documents submission on 16-17 September 2020. Each IQAC-PDPIAS team member gave a presentation of different NAAC criteria metrics. Total 39 faculty members have remained present on the day of interaction.

- Dr. Anoop R. Markande gave a presentation on documentation preparation for Criterion-I (Curricular aspects)
- Dr. Abhishek Dadhania gave a presentation on documentation preparation for Criterion-II (Teaching-Learning and Evaluation)
- Dr. Kinnari Parekh and Dr. Mandar Kulkarni gave a presentation on documentation preparation for Criterion-III (Research, Innovations, and Extensions)
- Dr. Jimit Patel gave a presentation on documentation preparation for Criterion-IV (Infrastructure and Learning resources)
- Dr. Kiran Patel gave a presentation on documentation preparation for Criterion-V (Student support and progression)
- Dr. Krunal Kachhia gave a presentation on documentation preparation for Criterion-VI (Governing, Leadership, and Management)
- Dr. Aditi Buch, Member, IQAC-CHARUSAT gave a general overview of IQAC document preparation.

During the sessions, faculty member were learned about IQAC documentation. After the interactions, some questions were asked by faculty members which were answered by corresponding IQAC-PDPIAS members.

Dr. Krunal Kachhia gave presentation in NAAC awareness Interactions

Item 1: CO-PO assessment process

Proceedings 1.01:

- The institution has decided to shift teaching-learning process to outcome-based education system as per the guidelines of NBA. In outcome-based education the focus should be on the student outcome rather than marks. The attainment of outcome can be analyzed through the assessment of COs and POs.

Resolution 1.01:

- Departmental IQAC coordinator presented timelines for the assessment cycle. At the beginning of every semester CO, CO-PO Mapping, rubrics and tools used for evaluation of COs shall be discussed at department level by the subject coordinators as well as faculties involved in that respective subject before being implemented.
- Following points were discussed in departmental meeting:
 - what are course outcomes (COs)?
 - what is the process to identify Cos?
 - on what parameters these COs are mapped with POs (Program outcomes)
 - tools and methods used for CO attainment
 - CO attainment like: Direct assessment methods which are midterm exams, university exams, lab assessment exams, outreach activities etc.
 - Indirect assessment activities like- survey and feedbacks
 - attainment of course outcomes with respect to set attainment levels

Action Taken 2.01:

- Faculty members accepted the proposed timelines for the assessment of COs and POs and authorize Departmental IQAC coordinator to monitor progress of the action plan at the department level.
- Subject coordinators ensured the effectiveness of the tutorial questions, series examination question papers and other evaluation techniques in assessing the attainment of COs and POs at the department level.
