

## Sports Activities

Sports are considered as an essential element of any culture, country and individual. Participation in sports helps to build the team spirit and mindset of healthy competition among the students, which are vital factors in the development of well-balanced young people. With a solid belief that physical health leads to mental fitness, RPCP provides facilities for games such as Football, Volleyball, Badminton, Cricket & Kabaddi. Sports activities are conducted under the supervision and guidance of a competent sports teacher.

Plays like chess, table-tennis and many such others are available at indoor activity center. These facilities assist students in maintaining their physical well-being and allow them to participate in a variety of sports events.
